Club Meeting

South Brunswick Islands
Meets at Ocean Ridge Plantation, Tamers' Restaurant
351 Ocean Ridge Pkwy SW
Ocean Isle Beach, NC 28469
Time: Friday at 07:30 AM

Greeting Fellow Rotarians!

For those of you who missed last week, Bob inducted Amber Malave and Wade Houk as our newest members. Time was short so we will reschedule his presentation on Rotary Beyond the Club. We are moving forward with plans for our SBI Three Bridge Tour as we've garnered permission from the landowners, received town approvals, developed the courses, and produced artwork. Now we much begin developing marketing materials, soliciting sponsors, and planning day-of activities.

The Service committee held a meeting after our regular meeting last week. There are exciting things coming and there will be many volunteer opportunities. Peer court will be starting soon at Waccamaw. Please consider helping. It is rewarding to make a connection with the kids; changing their lives and yours.

Tuesday was the ribbon cutting and open house for the COAST (The Center for Applied Sciences and Technology). It was well attended by both the community and Rotarians. The COAST is proud to serve all of Brunswick County High School students with a diverse and dynamic set of classes focused on STEM and technical skills. These courses range from Clean Energy, to Carpentry and Electrical Programs, in addition to Cyber Security and many more. Classes and programs are always evolving and being added. These classes offer students an opportunity to receive hands-on training in a variety of educational and career fields. It is so good to see new opportunities such as these for our students.

Barb Duclos will be bringing us an update on STARS this Friday. I attended the graduation ceremony and was impressed. The children did a lot of reading. Come celebrate this successful program with us.

Yours In Rotary Service,

David

STARS

By Jennifer Hardee Vanasse on Tuesday, August 20, 2019

Our program (A STARS UPDATE) is being brought to us by Barb Duclos.

Born and raised in the United Methodist Church, Barb grew up in Sergeantsville, New Jersey. She graduated from Hood College with a Bachelor of Science in Home Economics, and holds a Master's degree from Cornell University. While at Cornell, she met and married Keith, and both of their sons were born in Ithaca, New York.

Barb worked in a variety of administrative and educational support positions. Most recently, she served as the Program Coordinator for the Other Lifelong Learning Institute (OLLI) at Penn State University. She has always found joy in serving in the church in lay leadership and teaching roles. Disciple Bible studies have been especially important to her spiritual growth and formation.

Barb and Keith moved to Calabash in May leaving the snowblower and cold winters behind in central Pennsylvania. In addition to being a Christ follower, Barb loves spending time with friends and family, hanging out at the beach, taking long walks, and reading.

4 Way Test, Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

By Jennifer Hardee Vanasse on Tuesday, August 20, 2019

On Tuesday, SBI Rotarians, Kathleen MacDonald and Jennifer Vanasse presented Debbie Keener, Samara's Village Program Director with six car seats and covers.

Samara's Village, founded in late 2015, is a grassroots, charitable non-profit with a vision to positively affect the health and well-being of families in our community for generations to come. They offer programs to assist pregnant and parenting teens, who live in Brunswick County. Participants in its programs are being educated, equipped, and empowered to raise their children in a manner that will have a lasting impact, improving their chances at success later in life.

SBI Makes Backpack Presentation to NC Boys & Girls Home

By Myong S Jensen on Tuesday, August 20, 2019

Afterall, we are the South Brunswick Islands Rotary (SBIR) Club Rotarians! We are caring and dutiful about supporting our community and beyond. SBIR donated 55 backpacks (embroidered with Rotary logo) that were filled with school supplies for 27 middle school and 28 high school to the Boys and Girls Home of North Carolina. The resulting smiles of those backpack recipients were rewarding. But, the labor of love and **◆BIG◆** smiles that went in planning, organizing, purchasing, filling backpacks of the club members are second to none!

Welcome Wade Houk

By Jennifer Hardee Vanasse on Tuesday, August 20, 2019

Wade Houk was inducted this past Friday and we are thrilled to have him.

Wade resides at Ocean Isle Beach and is married to Doris, his wife of 54 years. Together they have 3 children and 6 grandchildren. He received his BA from the University of Massachusetts and MA from Indiana University. He also took management courses at Harvard Business School and seminars at the Aspen Institute.

Wade's career has been quite extensive; having held the following positions:

- Foreign Service Officer, Regional Projects Office, American Embassy, Vienna, Austria
- US Department of Justice, Director, Departmental Budget Staff
- Federal Prison System, Assistant Director, and Chief Financial Officer
- Federal Bureau of Investigation, Assistant Director, and Chief Financial Officer

Wade was also awarded the rank of Distinguished Executive in the Senior Executive Service which was personally presented by President George H.W. Bush.

Please join me in welcoming Wade to our Rotary Family!

Welcome Amber Malave

By Jennifer Hardee Vanasse on Tuesday, August 20, 2019

Having been our Honorary Rotarian 2018-2019, Amber Malave is no stranger to SBI and we couldn't be happier that she too has chosen to become a member of SBI.

Amber resides in Conway with her son, Xavier. Her story is fraught with trials but her success starts at the age of 18 when she put herself through GED courses at Brunswick Community College. Later she completed her associates in psychology, was inducted into the Phi Theta Kappa honor society, and maintained status on the president's list for two years.

Amber has held a variety of positions with an emphasis on early childhood education and in 2016, she became the CIS full-time Success Coach at Waccamaw and has become an invaluable member of the staff and programs there.

Amber loves to write poetry in her spare time and hopes one day to become a published writer. She loves hiking waterfalls, painting, and volunteering her time face painting or participating in local community events.

Please join me in welcoming Amber to our Rotary family!

Membership Training Sessions - Save the Dates

Are you Happy with your club membership?

Are you satisfied with your club's numbers? If you're like me, the answer is likely no. We all are experiencing a gradual loss of members for the past ten years. And guess what? Unless you do something different, the same thing will happen this time next year. And the year after that.

It doesn't have to be that way. There are proven methods that really work. I'll go so far as to say they are *guaranteed*.

Let's Stomp Out Polio!

By Jeff L. Mount on Thursday, August 1, 2019

Let's Stomp Out Polio! Pssst, want to shout out to the world that you're a Rotarian who wants to end Polio? Go to <https://rotary5400.org/page/stomp-out-polio/> and order a pair of Stomp Out Polio shoes. This is a great way to make a statement and a donation at the same time. Buy them for yourself or for the kids or grandkids. Wouldn't your sergeant-at-arms look great in these every week - talk about a great conversation starter!

Remember, we are not just inoculating children in the three endemic countries, but we are inoculating over 400 million children each year in 60 countries of the world where the virus is still present. As you all know, there is no cure for polio. It is an incurable disease. The ONLY way to victory is inoculation. We are winning that battle and we have come a very long way but we still have a ways to go and world politics and terrorism in many of the countries we are working in with our partners makes the task difficult. Your one dollar is matched with two more by the Gates Foundation!!!
