## President's Post

By David Vanasse on Tuesday, July 23, 2019

Greetings Fellow Rotarians!

There were some very exciting times at SBI this past week. Greg Rupp received his PHF+4 and joined the Paul Harris Society. Carol Petrea, Currie Batchelor, and Karim Mawji also made commitments to the Paul Harris Society which brings our club total to 19! Wow! That's 19 individuals that have made a personal commitment to contribute \$1000 per year (every year) to the Rotary Foundation. Not only is that impressive, but also think of the high standards we're setting for the District. It makes me proud to be a member of SBI Rotary. Thank you for your commitments to supporting our foundation.

Norm Rogers delivered a great classification talk; had us laughing and understanding his passion for C.A.R.T.

As outlined last week, increasing impact is one of the goals of RI President Maloney's action plan. I believe our fall fundraiser will do just that. TJ Spivey is an active cyclist. He approached me early in the summer about hosting a bike ride as our fall fundraiser. We're not just talking about any bike ride but one that will span a course over our three bridges (Sunset, OIB, and Holden). Several members from the club sat down with members of a local bike club Friday afternoon, brainstormed ideas to make-it exciting and family-friendly, set tentative date and pricing. We decided on a great name too: The Three-Bridge Tour (a spoof off of Gilligan's Island with which I'm sure we'll have some fun!!) Right now we are at work gaining the necessary town approvals, but in short order will be calling on you for your ideas and support. This ride will broaden our reach beyond Brunswick County, attracting bike enthusiasts from all over to support our local club and economy, moreover bring awareness to Rotary and the good we do. I hope you're as excited as I about this new venture.

This week Marcell Hatten, NCWorks Career Center Manager, will be our guest speaker. Please come and join me in giving Marcell a warm welcome to SBI!

Lastly, don't forget, I want to hear from you: Why did you join Rotary? What keeps you in Rotary? I'm looking forward to hearing your Rotary story.

Yours in Rotary Service,

David

### Join fellow Rotarians on a trip into ancient Cambodia

Rotarians from various clubs around the world are joining together with Sustainable Cambodia on a journey into the heart of Cambodia.

This 10-day excursion is a truly unique experience of traveling into Cambodia. Located in Southeast Asia, this beautiful country is rich with history and culture and was awarded one of the top travel destinations for the last two years. We will travel to the must-visit places in Cambodia including the heart of Cambodia, Phnom Penh, and we will walk amongst the ancient temples of Siem Reap. But tourism is not the sole purpose of this trip. We will go far off the tourist routes to visit village families and experience the impact of Rotary projects in the remote villages of Pursat Province. For those who haven't gone before, **you will have the adventure of a lifetime while helping rural families and children in ways you may have never dreamed possible.**

For more information contact Jen Vanasse. You may also visit Sustainable Cambodia on FB or [sustainablecambodia.org](http://sustainablecambodia.org)

## Greetings from China!

By Michael Hebert on Sunday, July 21, 2019

Hello from China. It's always great to hear what's going on over there. We visited the first Rotary club in China(Hong Kong) this week and of coarse Dianne and I were warmly welcomed. I will bring a flag from them on our visit in December.

The view from our 25th floor condo is beautiful and we see Hong Kong light up every night ( approximately one hour boat ferry). The weather is so much like Hawaii and we brought the right clothes, shorts and t shirts. We are finding the usual and unusual foods here. The black eggs picture are eggs backed in salt; have not tried them yet, but on the list of things to do.

Look forward to sending more pictures of our ventures. Say hello to everyone for us.

Mike & Dianne Hebert

## **19 Numbers left for 100 Raffle!**

By Gary Olin on Sunday, July 21, 2019

For those who may be interested, we have 19 numbers yet to be spoken for with this half-year's 100 Club. Remember that we sell 100 numbers for \$25 each, and from that \$2,500 we then give away \$500 in weekly drawings of \$25 each week, and at our Christmas Party we will draw 4 numbers with each one winning \$250! That leaves us \$1,000.00 which covers one of our West Brunswick High School Scholarships at the end of the year! A great cause. Let me know if you want me to add your name to one or more of the open slots, OR BETTER YET...come next week and pick the available number(s) you want!

I will be sending an invoice out to those that have signed up for numbers but not yet paid, once all the numbers are spoken for.
