President's Weekly Post

By Clint Jaeger Berry on Wednesday, September 23, 2020

To my SBI Rotary Team,

As the weather has given us a taste of Fall with cooler temperatures, a light breeze, and deep blue skies; I hope you have been able to take a deep breath and savor the moment. We are doing great things in our community and in our world individually and as a team, but it's nice to take a moment and just breath.

With all the demands on our resources, a moment of peace gives us the clarity to see our path, to reorient our internal compass.

I ask that we all breath deep, pause, let it out, and focus our attention in part on the Golf Tournament and Bike Tour heading towards us.

It's time to build up your anticipation and get excited about the game ahead! Let's bring this home!

Yours in Service,
Clint

SBI Welcomes

Sometimes the best Rotarians grow out of someone who never even knew what Rotary was. That might be the case with Past District Governor Chris Jones, who was initially invited to learn more about a new Rotary Club that was forming near where he worked and lived in Catonsville, MD (District 7620).

Chris readily admits business networking was the initial lure to join. Then I saw the service projects and the way the club was giving back to the community, both locally and globally, and I had to join, he said.

Soon after being asked to serve as President of the club, Chris moved to North Carolina. Fortunately, he found the same qualities he enjoyed so much in Maryland in the Rotary Club of Lake Norman-Huntersville, and it was only a matter of time before he was again involved in club leadership. This time, however, it went to an entirely new level as he began assuming roles in both his district and ultimately his zone.

Chris Rotary service crosses numerous areas of focus, having led committees for The Rotary Foundation, Carolinas PETS Training Director, membership and public image, just to name a few. He is the immediate past Rotary Coordinator for Zone 33 and is now serving the Zone as the Innovative Club Advocate (one of only 20 in North America). On a less formal (but perhaps more fun) note, he served as the president of the International Fellowship of Motorcycling Rotarians from 2016-19 and is a charter member of the Whisk(e)y Drinking Rotarians Fellowship, but he is certain to never mix the two at the same time.

Rotary is like a family for me, said Chris. In fact, when my wife became quite ill and we had no family in the area, Rotary acted just like family. They took care of us, fed us, helped us move and so much more. After 18 years in Rotary, Chris has far too many amazing memories and Rotary moments to list them all, but he cites the opportunity to visit India for a National Immunization Day (NID) as one of his favorite experiences. WOW! We learned not only how important the work is that Rotary does in polio eradication, but also saw many other projects where Rotary has made life-

saving impacts on the people of India.💎

As a respected Rotary leader, Chris is often invited to share his expertise with clubs and districts around the world. Chris has a passion to fight hunger in the world, and as such he volunteers for organizations that are focused on hunger eradication. 💎I💎m proud to be called a Rotarian and proud of the people I serve with to make a difference,💎 said Chris.

💎Rotary allows me to lay my head down on the pillow at the end of the day and know I💎ve made a difference, and that allows for good sleep. Rotary is simply the best place to meet people, exchange ideas, take action and make the world a better place.💎

Brunswick Inter-Agency Program Gutter Installation Is Complete!

By Kathleen MacDonald on Wednesday, September 23, 2020

If everyone recalls, SBI Rotary put some sweat-equity into the Brunswick Inter-Agency Program greenhouse and shed area. As we left the buildings, we had placed two rain barrels as free and wholesome water sources for the plants. Unfortunately the gutters required to complete the rain barrel installation was temporarily stalled due to the COVID-19 quarantine. Now that the quarantine restrictions have been lessened, we were able to get a contractor onsite and complete the installation. If you notice the clouds in the photographs, the gutter/rain barrel system was put to work almost immediately after the last screws were tightened.

Member Spotlight: Going Above and Beyond

By Amber L Malave on Wednesday, September 23, 2020

In the struggles we all are facing, challenges often seem to outweigh the positive moments. During these difficult times, I wanted to give acknowledgment for the hard work, dedication, and commitment each of you continues to show through your acts in and beyond Rotary. We are more than just a club and more than just people. We are a movement, a wave of change, a cause, a solution, a fellowship, and so much more.

A special thank you to Danny Hardy for continuously caring for others, even when facing personal challenges. It takes a special type of individual to go out of the way to help strangers, to continue to stay motivated for the betterment of others, and to do so with a smile.

(Mrs. Julie (left) Danny Hardy (right) I promise there are smiles there!)

Danny continues to put forth effort in a variety of Rotary projects and last week he did something special in support of the students and families of Waccamaw school. In previous years, he has supported CIS programming by mentoring and worked closely with middle school students in the Peer Court Program.

During Danny's mentorship role, he noted how one specific student stood out as being a kind and considerate young lady.

This week I stopped by to tell her that Mr. Hardy had asked about her. The young lady's name is Dakota and she smiled from ear to ear. She is one of six siblings and does her best to stay focused in school! Dakota was also a part of the Friends of Rachel club in previous years. She is shy but motivated. She is now considered a non-case managed student because she is maintaining on her own but her little sister just joined the CIS success team. Things are tough for the family right now and a little positivity went a long way!

Rotary support is a vital part of the CIS programming at Waccamaw. When Danny heard there was a dire need for basic need support due to COVID he quickly came to the rescue.

Six families, including Dakota's, received Lowes Foods gift cards this week. Over 24 students in total benefited from the support.

The smiles, thank you's, and tears shown by the parents, grandparents, aunts, and siblings brought tears to my eyes. I just wanted to give a special thank you to Danny and to the SBI Rotary for supporting our local families.

Remember, no gesture is without power or influence, and even the smallest acts of service can go a long way!

Forever grateful,

Amber Malave

Just One Example of Out Impact

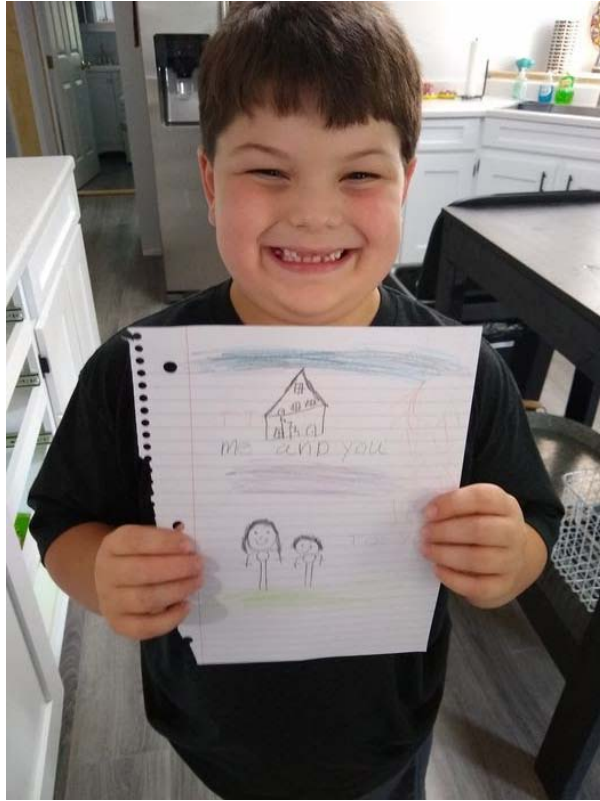

By Kathleen MacDonald on Wednesday, September 23, 2020

Regardless of each year's circumstances, South Brunswick Islands Rotarians always make an impact on our community. Usually we tout our achievements as a club. SBI Rotarians' Service Above Self is not limited to our activities within the club. We walk the walk in our personal and professional lives. Many of us help out individually in religious, social, and other service organizations. Some of our employers specifically serve the community such as Lower Cape Fear LifeCare, Seaside Methodist Church, and Sunset Beach Fire Department. Since a founding Avenue of Service is Vocation, do not discount Rotarians' impact on our community in our other professions! Proudly Rotarians' outstanding customer service and high ethical standards touch individuals' lives in bringing dental treatment, the right insurance policy, or a much needed loan.

Let us know if you have a story of impacting someone's life through our professions, other organizations, or personal smile to another soul on the street.

The following segment is from a Communities in Schools email blast.

Timothy is in 3rd grade and doing amazingly so far this year. He is focusing on Math, in his second year working with his Success Coach Amber Malave. He is also reading every day and completing his assigned work. Timothy is even making personal goals about his health and future. His Success Coach is making sure Timothy has the support and resources needed to achieve his goals and will continue to work with him throughout the school year to help him maintain his focus and commitment. Timothy made a picture to thank Ms. Malave for her support. This is what the Success Coach / student relationship looks like. Kudos to Timothy and Ms. Malave.
