Rotary Song and Rotary Minute: No song was sung but Drew Young did provide Today in History. Today in 1981 the IBM PC first was made available with a 4.77 MHz CPU, 16K of RAM and DOS 1.0. Today in 1990 one of the largest and most complete T Rex's was discovered in South Dakota. Today in 2017 Heather Heyer was run down and killed during the Charlottesville, VA White Supremacist march.

Attendance & Guests: There were 10 members and 2 guests present at this week's meeting. The guests included the Airborne and Special Operations Museum Foundation Director, Liz Mileszko, and Amalia Ramos.

Health and Happiness: Magda Baggett gave a Happy Buck for \$1300 that the Club provided for support of TC Berrien. Joe Running gave a Happy buck for their safe return from their great vacation and his birthday. Dave Baggett gave a Happy Buck for this past weekend's Rotary District Foundation Seminar.

Club Program: President Tim introduced Liz Mileszko, Director of the Airborne and Special Operations Museum Foundation who spoke about the Airborne and Special Operations Museum. Liz Mileszko let everyone know that recently the Center for Military History took over the role as the Museum's higher headquarters from Fort Bragg Garrison, Installation Management Command. The Museum is still a government facility and Fort Bragg Garrison Directorates still provides some support through Memorandum of Agreements such as for safety, fire inspections, facility security, and public works. However, the foundation continues to support the Museum so that it can provide new exhibits. Your support of the museum is critical for its future upgrade and modernization to meet tomorrows needs.
