District Zoom Meeting -

By Dawn W. Rochelle

April is a month where we as Rotarians are reminded that time moves quickly. We are in the last quarter of the Rotary Year, our time has sprung forward, the weather is trying to warm up and we are hoping that we can once again plan in some way like we used to. I can not say enough how very proud I am of all Rotarians. You show up for yourself, your families, your business, your Club and your communities. The gift of leadership is discovering more than you had planned and that has certainly been true of this role as District Governor. [Read More](#)

The Magic of a Cause-based Rotary Club

By Douglas E. Wolfe

Meet John, a 44-years-old environmental scientist. His passion is cleaning up rivers, a love born of almost a decade as a whitewater raft guide.

Meet Candace, a 37-year-old high school teacher who donates time to a watershed group, helping to monitor pollutants in local streams.

John and Candace aren't Rotarians, but they're already living our Service Above Self motto.

Now say hello to Laura, a 56-year-old Rotarian who has a passion for kayaking and the clean streams and rivers that make it enjoyable.

Diversity, Equity, and Inclusion Taskforce Presentation to Brunswick County CIS

By Joseph C Stevenson

Thank You!

Hello Chris,

I cannot thank you and Vince enough for joining our discussion this morning. It was so good to see everyone engaged in the discussion and to hear your personal insights and experiences as a man of color navigating the complicated landscape that is racism in our country. It was emotional and thought-provoking to listen to you and I truly hope you will join us again for further discussion. I will certainly reach out again before we conclude our work for this school year and start to plan future DEI work for our staff.

I am focused on being hopeful for change and for a future generation that is not bound by some of

the challenges and mindsets that some of us who are older (like me!) were raised with, as I do feel those my children's age and younger are being raised in a more inclusive and accepting environment with more opportunities for meaningful interactions. The struggle here in a rural community, as you mentioned, is providing the exposure and information our students need to prepare for living in a global society and in one which has many different perspectives and experiences to explore beyond what they may experience in their own small community. I see it as our obligation to help provide those opportunities for them and look forward to working with my team in the coming months and beyond to develop creative and varied ways to achieve that goal.

Please share my gratitude with Vince as well, as I do not have an email address for him. I would welcome him to join us again for future discussions as well.

All the best to you and your fellow Rotarians who are taking a lead with DEI. It is meaningful and essential work that requires an ongoing commitment from each and every one of us to bring change that has been needed for so long.

Thank you,

Bonnie

April is Autism Awareness Month

By Rachel R Jordan

April is Autism Awareness Month, I would like to offer the entry and article below to encourage and highlight how DEI's reach extends far beyond race, color, creed or ethnicity. Please feel free to share your thoughts.

Over the last decade, the words diversity and inclusion have become the anchor for advocacy and justice efforts. I believe we can all agree that diversity and inclusion are important. They are the values that are essential to the growth and development of our world. Our culture craves diversity across all facets and within all disciplines. However, it is important to remember and recognize the discussion about diversity must be strongly connected to the disability community. The largest minority group in the world are persons with physical, intellectual, or developmental disabilities. This includes autism. So, in honor of April being World Autism Awareness Month take a moment to enjoy the article below, and explore ways that you can promote, encourage, empower, and accept individuals with Autism.

Rotary Foundation Spring Update-Time for Action!!

By John Mohr

My fellow Rotarians, it has certainly been a challenging Rotary Year in 2020-2021 as we continue to deal with the challenges of the pandemic. Many clubs are still meeting via Zoom and I know we are all looking forward to meeting again in person soon. With only about 10 weeks left to process our Rotary Foundation contributions to Rotary International, I wanted to provide everyone a status update.

Service at the heart of Shawn Anderson's work

"The honor of serving the nation as a whole is only amplified with the ability to directly serve the communities that I am a part of, through the National Guard. When conducting certain operations in the state of North Carolina, I can see a clear line of how our actions could directly affect people that I see every day, in my civilian life, even at B&GHL. Knowing that I am able to give back to the community in this way is a great blessing." These were some of the thoughts B&GHL Cottage Life Coach Shawn Anderson shared after a recent call-up by the National Guard to deploy.

Burgaw Rotary supports Pender County Parks and Rec with Storywalks

By Cathy Guidry

Pender County Parks and Recreation Staff and Burgaw Rotary Club Member, Zack White approached Burgaw Rotary to help the County move the Storywalk Project forward. Burgaw Rotary Club agreed to include multiple Storywalks in the District Grant Proposal that focused on Burgaw Rotary's Together We Read project.

After receiving the District Grant, Olivia Dawson and Zack White, co-chairs of the Together We Read Project for Burgaw Rotary, found the stories, had them printed in duplicate and chose locations on the Western side of Pender County to post them. Duplicate Storywalks were printed in the event of damage of a sign. The storywalks were printed so that they can be moved to different locations and be changed out to have different books available to the public.

The picture here shows the Storywalk located at Miller's Pond, Rocky Point, NC. The Storywalks support the Rotary's interest in promoting early childhood reading.

Fair Bluff Rotary Gives Free PPE to the Community

By Brittany Moore

The Fair Bluff Rotary club hosted a free PPE giveaway to the Fair Bluff community on March 27, 2021. The event was held at the Fair Bluff Baptist Church Fellowship Hall. Because of the COVID-19 pandemic, members of the community drove up and rotarians handed them the PPE through their car window.

A total of 100 bags were given out. Each bag contained 10 disposable masks, 10 hand wipes, and 1 bottle of hand sanitizer.

Rotarians present were: Gary Barnes (Club President), Brittany Moore, Alaine Powell, Woody Strickland, Kathy Baker, Clarice Faison, Alex Powell, and Jeff Prince. Our District Governor Dawn Rochelle, and her husband

Henry, were also present. A great day of "service above self!"

Morehead City Noon presents Grants to local non-profits.

By Diane Carolyn Warrender

The Morehead City Noon Rotary Club has presented seven grants to local non-profits as part of their Service Projects Committee during this Rotary year. At their weekly Rotary meeting, Diane Warrender, Chair of this committee, presents a \$500 check to Steve Anderson of the Carteret County History Museum, located in downtown Morehead City. The museum is celebrating their 50th Anniversary this year and has become a vital part of the county's preservation of many historical events and items they have collected.

Mr. Anderson has agreed to accept the many records of the history of the Morehead City Noon Rotary Club to add to their collection. John Capps, left, who has kept these records over the past 40 years, is allowing the museum to keep and preserve them. Also pictured to the right of John, is Robert Cox who serves on the Board of the Museum. In addition, the Club presented a \$1000 donation to Martha's Mission to contribute to their Building Fund to help in their effort to purchase a new location for their facility, as they have outgrown their present location on Bay Street.

A Busy Month for Shallotte Rotary

By Dianne W. Bennett

It was a busy month for The [Rotary Club of Shallotte](#)!

[Brunswick Christian Recovery Center](#) (BCRC) in Ash. BCRC is a non-profit, faith-based ministry serving those suffering from active addiction. Shallotte Rotary received a grant to purchase sheets, linens, wash cloths and towels for all of the residents. Josh Torbich and his staff invited us in and told us how far his reach is to help men, women, and children who are either suffering from addiction or living with addiction. Visiting the residents and staff at BCRC is uplifting. We left feeling like we had truly helped. If you would like to donate or volunteer, please visit their website. If you know someone who is suffering with addiction call today for help at 910-287-4357.

Shallotte Rotary showed up to conduct our first Kindle training for seniors enrolled at Brunswick Senior Resource Center (BSRC) Our club has partnered with BSRC and Brunswick

County Library to keep books in seniors hands during the pandemic. Dennis Hetzel led the team during the first training session. If you are interested, please message Kelli Pratt for details. Dennis also delivered a check to Friends of the Library at the Rourke Branch. This check will be used to launch an educational kindle program for pre-school -5th graders.

Did we mention the Loads of Love laundry grant? We were able to hand out quarters and laundry supplies to those who may be struggling to spend money at the laundry mat. The pandemic has affected people in so many ways! Our club is happy we could help ease that burden.

We ended the month with an in-person meeting at Mulberry Park. We haven't seen each other in a while and it was great to get together and laugh, joke and rollup our sleeves to help our community, packing toiletries for Brunswick Christian Center. Each bag contained soap, toothpaste, toothbrushes, shampoo & conditioner and tissues. Dale Lepovetsky delivered them along with additional supplies of laundry detergent. Mayor Walt Eccard and the Town Manager, Mimi Gaither presented the plans for Mulberry Park. It's amazing to see the growth in Shallotte and what's in store for us at the Park. And while we were meeting in person we inducted a new member, Susan Carey, the newest Rotary member in the world on March 25th! Susan grew up in Brunswick County and then travelled the world in the Navy. She moved back home last November and is a Real Estate Agent for Coldwell Banker. We are excited to have her in the club, we all learn and grow from others. Welcome Susan!

And finally, beginning April with a joint project, (no April fools!) we worked with our neighboring club, South Brunswick Island Rotary and cooked hot dogs for our front-line workers and National Guardsman who have been working at the BCC Covid Vaccination site. Rain or shine these heroes have been making sure our community receives vaccines.

Come join us every Thursday on zoom. Just reach out to President Kelli Pratt and ask for an invite. We'd love to see you there!

**2021 FORE! KIDS Golf Tournament
Saturday, May 22, 2021 ♦ Tee Times Begin at 8:00 AM (#1 & #10)**

The South Brunswick Islands Rotary Club and our 2021 golf committee would like to thank you for your participation in our annual **FORE! KIDS Golf Tournament** at Tiger ♦s Eye Golf Course in Ocean Ridge Plantation. Our 60+ members are dedicated to raising funds which will benefit the children of our community.

COVID-19 Information: For the safety of the players, volunteers, and staff, the outing format has changed from a shotgun start to individual tee times for each foursome, beginning at 8:00 AM. Grab-And-Go breakfast as well as boxed lunch are included in lieu of meals served in the restaurant. Due to the above changes, green fees have been reduced to \$100.00 per player or \$400.00 per foursome. Players will be asked to sign a COVID waiver at registration.

What has not changed is South Brunswick Island Rotary ♦s commitment to our community with the funds raised through this tournament, and our commitment to you and our sponsors of a fun day of golf.

What we include for the golfers in our outing:

- Greens fees and cart fees for 4 at Tiger ♦s Eye, one of the area ♦s premier courses
- 3 Flights with prizes to the 1st, 2nd, and 3rd place teams in each flight
- Tee Times begin at 8:00 AM, double tee-d, last tee time no later than 10:30 AM.
- Grab and Go Breakfast and B
- oxed Lunch
- Complimentary Driving Range balls
- Prizes for numerous on-the-course skills ♦ challenges
- Complimentary 2021 **FORE! KIDS Golf Tournament** souvenir

The South Brunswick Islands Rotary Club donates 100% of the net proceeds from ALL fund-raising activities to our local area and international programs. In 2019, the South Brunswick Islands Rotary Foundation was formed to become the charitable arm of the Rotary Club of South Brunswick Islands. As a 501(c)(3) non-profit, with tax ID 82-5054684, donors can take advantage of the tax-deductible portions of their donations. Since our first golf tournament, YOUR sponsorship of more than **\$298,000** has been leveraged with club and other funds for reinvestment in our communities, both local and global.

The focus of our Club ♦s fund raising continues to be the youth of our community, our state, and the world. Some of local projects we support:

- Dictionary Program ♦ every third-grade student in Brunswick County receives his or her own Dictionary.
- WBHS Interact Club for students to improve their leadership & interpersonal skills.
- Rotary Youth Leadership Awards (RYLA) for high school juniors to attend a weekend Leadership Conference.
- Leadership Conference in Atlanta, Georgia for high school students to learn from our Nation ♦s Leaders.
- Brunswick Community College scholarship endowment fund
- WBHS students by annually awarding several academic and one band scholarship.
- Boy Scouts and Girl Scouts projects through work parties and contributions.
- Local programs such as the Brunswick Literacy Council - New Hope Clinic - CART Program
- Josh the Otter program for elementary school children

On a District Level, SBI partners with other Rotary Clubs to support the Boys ♦ Rotary Cottage at the North Carolina Boys ♦ and Girls ♦ Home at Lake Waccamaw.

Internationally, SBI continues to support the effort to eradicate Polio worldwide. The Bill and Melinda Gates Foundation has joined Rotary International in this effort. We thank you for your continued support in these efforts.

Americans Live Without Power/Water - Southport Rotary Making a Difference

By Shawn Braswell

Imagine living in a house with no running water or electricity. No water to cook, drink, bathe, flush or wash clothes unless you want to travel as far as 20-30 miles to meet a water truck to fill containers for home. It makes my head spin to think people still live this way in the United States but there are Americans living like this in Navajo Nation.

Don Adkins says farewell

By John H Meyer

Past President and Past District Governor Don Adkins is resigning from the club and moving to Florida. A member since 1992, Don was president in 2002-03 and District 7730 governor in 2012-13.

He writes this farewell to the club: Dear Rotary friends:

As some of you may know, Maryann's health and my health is changing but not for the better. At the request of our extended family, we are moving to Jacksonville FL to live near our son Don, his wife Sarah and our granddaughters Lauren and Ashlynn. Many of you may have met them at Rotary functions when we recognized each of them with a Paul Harris Fellow award.

Maryann and I loved living in Wilmington for the past 29 years and will miss the southern charm of our beautiful city but most of all, we will miss YOU!

As I have said many times, the best thing that happened to me when we moved to Wilmington, was the Wilmington Rotary Club. I will miss each of you dearly but I will always cherish the beautiful friendship that I have with each of you.

With the Warmest Regards,

Don A.
