Congratulations to the Rotaract Club of the Friendship Knot, our newest Rotaract Club in the District! The Charter Party was held Sunday, April 25, 2021. Congratulations to this international Club and Club President, Pierre Grandin. President Pierre is a resident of France and illustrates our global reach and our global commitment. Please join me in congratulating this Club by reaching out to their sponsoring Club President, Pat Curley at pwcurley@gmail.com.

Congratulations to the Rotaract Club of Methodist University! This Club is the recipient of Methodist University's Community Engagement Club of the Year!! Congratulations to President Ali Sher Hussain and this amazing group of college students that have been creative and determined to serve. Many of the Rotaractors in this Club had such courage to study abroad in North Carolina. COVID has restricted their ability to return to their home in some time. Please join me in congratulating this Club by reaching out to their Club Advisor, Past District Governor Magda Baggett at mgbaggett17@gmail.com.

At a Rotaract event in 2018, my husband, Henry, and I experienced the Leadership Dialogue. I am appreciative to have attended much training and received much education in my life as a Licensed Clinical Social Worker to know how to connect with people and to hold crucial conversations. The impact of the Leadership Dialogue has stayed with me in its simplicity and its depth. Created by UNC-Duke Peace Fellow Linda Low from a place of a need for a framework to understand different perspectives, it is worth your participation to uncover unconscious bias, discover listening skills for our world and so much more. Thirty two Rotarians have taken advantage in our first round and we are opening round two. They are almost booked so register for your spot TODAY!

You can register through DACdb for any one of the events at the follow links:
