

Rotary

District 7730

Dawn's Monday Message

This email is being sent to all Rotarians in District 7730, which represents Rotaractors and Rotarians from all over the globe.

As we start this week, we honor the birthday of Dr. Martin Luther King Jr and in particular, his legacy in the work he inspired for civil rights. At the Atlanta Rotary International Convention, I attended the Rotary Peace Conference held the two days prior. Dr. King's daughter, Berniece King, spoke. The challenge past, present and future is to think deeply about what peace is and how we contribute individually and collectively to peace. [Click here](#) to listen in to hear her full address:

Rotary has a long history in standing for peace. Simply log into www.rotary.org with your login or set up your account. Then search for the topics on peace. The 4 Way Test and the manner in which we support humanitarian efforts is our greatest legacy of peace in this world and one all Rotarians should be proud of.

Thank you to those serving the frontline in this pandemic and thank you to those that are answering the call in your communities to serve as we begin to see the vaccine availability. Coming up in this next 7 days:

1. Thursday, January 21, we have an opportunity to listen to North Carolina's Department of Health and Human Services leadership. The purpose is to elevate understanding of the approved vaccines and have opportunity to submit questions. As of this morning, we are approaching 400 registrants for this webinar, which speaks to the desire to listen and learn. If you have not joined yet, please [register here](#). If you should have specific questions about the COVID 19 vaccine that you wish to be addressed complete the designated area on the registration so the presenters to address as many questions as possible. You will receive a confirmation email with a link to join on Thursday, January 21st at 1:00pm EST.
2. We had an AMAZING Pre-President Elect Training Seminar this past Saturday. Last call for our last session happening this coming Saturday, January 23, 2020 from 10:00am-12:00pm EST. We would love to have you as the more in every Club that listens in to District, Zone and Rotary International offerings, the more robust discussions can be in your Clubs for planning. [Click here to register](#).
3. Speaking of President Elect Training (PETS), deadline to register for this REQUIRED training for all incoming Presidents for the 2021-22 year is approaching. This is a Rotary International Requirement that the District offer training and a Rotary International requirement that all incoming Presidents only serve two consecutive terms and participate in this training. Please look at <https://www.carolinaspets.org/districts/7730> to determine whether your Club is registered and meets the requirement. This is also a requirement to apply for grants in our District.
4. Lastly, we are chartering a New Club that speaks to so many as the focus is Scouting. We are chartering with 34 members with others ready to be installed. Rotary International President Holger Knaack will join us to welcome our newest Club to Rotary. We hope that you can join us Sunday, January 24th at 12:00pm (EST) . [Click here](#) to register. After registering, you will receive a confirmation email containing information about joining the meeting.

Have a good start to your week and remember to invite someone to your Club meeting this week. You open opportunities when you do!

Let's Elevate Rotary!
~ Dawn Dawn Rochelle
District Governor 2020-21
