## District 7730

### A Message from Dawn

Welcome to the New Year Rotarians! This message is being sent to all Rotarians in District 7730.

As I write this email, I learn of the passing of another Rotarian to COVID 19. My thoughts are with everyone as we figure out this world with this virus. Everyone is impacted in some way, but we all have different experiences. In the coming days, look for an email that will invite you to a statewide Rotary call regarding COVID, the vaccine and potential ways that we can be of service more.

Some of the business to dos of Clubs as we start our third quarter of the Rotary year, is to look at your budgets, your service hours, your Foundation contributions, your leadership succession plan and plan a Virtual Club Assembly to share what the numbers say about the health of your Club so that you can take action together. Need resources to do this? Go to [www.rotary.org](http://www.rotary.org) and the Rotary Learning Center, as they have videos and resources to hold a Club Assembly and to do a Club Health Check. It is a way to know where we are to determine where we need to go and to also recognize and celebrate mid year. Want to talk through where your Club is? Simply ask anyone in District Leadership and we are here to help think through and connect with other Clubs and other resources.

I hope that you will join us in these opportunities to strengthen your Club for your community:

- No Cost: District wide call: January 11th at 4pm to hear how our District is doing in the areas mentioned above. [CLICK HERE FOR ZOOM LINK](#). Meeting ID 852 0711 7380. Passcode 938628

This is a busy time of year as the Rotary year is beginning to transition in succession. No matter your time in Rotary, you are welcome to join and connect with your family of Rotary.

Thank you for all you continue to do for others in this season. Stay safe and continue to follow the 3Ws to limit the spread of COVID 19.

In Rotary Service

~ Dawn

Dawn Rochelle, District Governor 2020-21
