

Rotary

District 7730

Message from Dawn

Monday, July 6, 2020

Good morning Club Presidents and congratulations once again! This is our first full week in this position of leadership. Thank you for leaning in to explore what opportunities exist to serve your community and lead your Club membership. Fifty-two weeks goes quickly and we have now 359 days to ensure our Clubs are stronger than when we assumed leadership July 1.

My role in District leadership is to connect you to resources outside of the Club so that you can connect with others in your Area and the 36,000 Club Presidents worldwide that make up the Class of 2020.

To have on your radar this week:

- How are the Rotarians in your Club doing in their own lives in business and family? Connection matters.
- Do your Club members know what to expect in meeting schedule and tempo for July? Let me know if you need to know what other Clubs are doing and if you need ideas.
- What does your community need and have you begun the application process for a District grant?

Opportunities to connect:

- Next Monday at 4pm, the monthly District wide call for Club Leadership will be held via Zoom to check in and update you on District and Zone level news and business. Look for email from Lin.
- Keep me posted on your Club meetings. Typically the Governor's visits would be scheduled and in full swing. BUT we have COVID. So, I continue to visit in person and via Zoom on a case by case basis to comply with the Governor's order and the Club's level of comfortableness. There are no in person trainings or gatherings at this moment in the District Calendar; all subject to evolve but no dates are set.
- Your Area Governor is ready and available to support you in connecting you to Membership, Foundation and Public Image. Look for Area meetings to begin soon in some format if they have not already.

You will receive these brief emails every Monday to check in for the week ahead to ensure that you know of opportunities. Thank you again for leading!

Let's open opportunities ~

Dawn
District Governor 2020-21
