District 7730

Dawn's Monday Message

To all Rotarians and Rotaractors in District 7730:

My last Monday email!

We are under 72 hours to go friends! This is your call for a final check list as we close the year that has created so many different opportunities for us all.

Attached is the District Governor Award and the Rotary Citation information to ensure that your Club information is up to date and all membership and foundation details are accounted for. We serve our communities in our time, our talent and our treasure. All have tactical pieces to them. If we can support you and our Club in these final hours, please let me know. Regardless of your role in the Club, your Club is a team that works together to meet goals set every year by your Club.

It is not too late to make a contribution to the Rotary Foundation. This is our Foundation that has allowed us to funds to Club grants locally and Global Grants internationally. This is an Every Rotarian Every Year responsibility to contribute what you can and if you can (\$100 is suggested). There are still matching points to assist you in earning recognition at the Paul Harris Fellow level (\$1,000) or for your next PHF level. We have had a tremendous show of generosity in families making decisions to complete their Major Donor contributions (\$10,000) and making the decision to ensure gifts are made as part of their estate planning (Bequest Society) this year. www.rotary.org/en/donate

John Mohr, District Foundation Chair, Carolinajohn0601@gmail.com or Jay Sollis, District Annual Fund Chair, jbsollis@gmail.com will be happy to help you make any contributions today, find matching points for you to make the next level of giving or help you understand more fully how this works whenever you are wish.

Through the Rotary Foundation we are apart of changing this world for people that we will never have the opportunity to meet and right here in our local communities.

Thank you to everyone that was able to attend our District Installation in person or online on our District 7730 Facebook page. It felt so amazing to honor and to recognize Rotary and the tremendous volunteerism of Rotarians. Thank you to everyone who made the evening possible!!

In Rotary Service
