District 7730

Dawn's Monday Message

This message is being sent to all Rotarians and Rotaractors in District 7730!

As you close out the Rotary Year, there is excitement as we get to see more of each other in person. I am seeing people that I have not seen in over a year in person. I am so very blessed that we have had such access to the vaccine in North Carolina as I know that several of you receiving this email live in other parts of the world where the same is not yet true. We are a global community so please let us know how we can support you, even if it is simply in the knowledge that you do not yet have access to the vaccine.

Rotary International holds me in my role accountable for many things but the two measurable items globally that I receive reports on are membership and giving to the Rotary Foundation.

I am so proud of this District as we are only one of three Districts in Zone 33 that are on the plus side for membership growth currently. I attribute this to all of you in continuing to engage with your Club members and your community. Why is membership important? It is how we serve each other and our communities. We are a membership organization after all. Please ensure that your new members are inducted and reconciled in rotary.org and DACdb this week as we want to celebrate you!

I am also proud of our giving as a District thus far and I ask you, that if you have not yet given to The Rotary Foundation, that you log in to rotary.org with our account and make a donation to the annual fund. Why is this important? It is a measure of organizational health when everyone gives. It is our legacy of work being done past us all for people and communities that we will never meet. I would be incredibly honored to be able to say that I have 100% of Rotarians in our District that have given this year to The Rotary Foundation. If you are giving through your Club, please check your giving on rotary.org under your information to ensure that it has been credited. To avoid the extra step and extra burden on the Club, please sign up for giving directly monthly at <https://www.rotary.org/en/donate>

Please put the final District Zoom call on your calendar! It will be a celebration for us all!! Monday, June 14th at 4:00pm EST. [Click here for the link](#). The Meeting ID is 852 0711 7380 and Passcode is 938628.

Lastly, we have 70 people registered for the District Installation. I want to see at least 200 for the ONLY in person event for this District since February 2020. **PLEASE REGISTER TODAY** as we need a count for the caterer and I would LOVE to see everyone. We want to show our support for the incoming District Governor, Ellen Deaton. I continue to work on whether virtual is possible so thank you for your patience.

- Sunday, June 27th 5pm-8pm EST District 7730 Leadership Installation at Sturgeon City Environmental Education Center, Jacksonville, NC. \$35 per person attending in person to cover meal. Cash bar. Inspirational program. [CLICK HERE TO REGISTER AND PAY](#).

Do you need a hotel stay for our installation? We recommend Hilton Home 2 Suites and the Marriott Courtyard, both in Jacksonville, for your stay. Due to the size of the event, we have not blocked rooms. If you have any booking question, please contact me and I am happy to help you find a place to stay.

Thank you for continuing to elevate Rotary in all that you think, say and do! We are opening so many opportunities!
