## District 7730

### Dawn's Monday Message

This email is being sent to all Rotarians and Rotaractors in District 7730: Happy Spring everyone wherever you are in the world receiving this email as we are a Global District with membership in Honduras, New Zealand, Korea, the United Kingdom, France, Uganda and so many more different parts of the United States and the world. I have emails, phone calls, and Zoom so thank you for reading and staying up to date!

We are approaching the 100 day mark of the days left in this Rotary year. Congratulations to all of the Club leadership in our District that completed the President Elect Training Seminar (PETS) this past weekend virtually. Thank you to District Governor Elect (DGE) Ellen (Maysville Rotary Club), Training Leaders Past District Governor (PDG) April Clark (Jacksonville Rotary Club) and PDG Lee Dixon (Morehead City Noon Rotary Club) for giving of your time, talent and treasure as discussion leaders and all of our Assistant Governors and Governor Line that made space to support our Club leaders. Many thanks as always to PDG Ken Dresser and our District Communications Officer Lin Kelly (South Brunswick Island Club) for your technical support to ensure that all things tactically were supported on Zoom and in the Zoom rooms. All but 4 Clubs have met this PETS completion requirement. To celebrate your Club leadership that graduated, visit <https://www.carolinaspets.org/districts/7730> to identify who attended for your Club so you too can say thank you for ensuring continuity for Rotary.

As I am looking at my last 100 days serving in this role as District Governor, I ask you to consider your giving to The Rotary Foundation and to consider asking someone to join Rotary.

- Thank you if you have already given at least \$100 to the Rotary Foundation since July 1st and if you have already given \$50 to Polio Plus since July 1st. You change lives and create a legacy past us all when you give. To give to both or to give on behalf of others, go to: <https://my.rotary.org/en/rotary-direct> (you will be required to log on as a Rotarian with your Rotary ID# that you can find on the back of our Rotary magazine or by logging in to your account on DACdb to see your information.)
- And then ask someone to join you in Rotary that you know would benefit from a global network in your Club or in Rotary somewhere else. If they only need a different time or to meet virtually, create that for them or connect them to it. If money is a barrier, how can we alleviate the barrier if you know this person could benefit so they can do more in their area of the world. It has never been easier to create opportunities for anyone to join Rotary. Ask, if you are unsure how.
