District 7730

Message from Dawn

As we start this new Rotary week, I invite you to join us on our District wide call at 4pm Monday for an open discussion of all things Rotary. This is a time and a space for you to join with our Rotarians from across the District to connect, ask questions and for District leadership to share up and coming information. We chose the time of 4pm on the 2nd Monday of each month so that we do not interfere with any Rotary meetings in the District. There is never a perfect time, but we hope that you and others in your network can join. Click the link below to join.

Time: Sep 14, 2020 04:00 PM Eastern Time (US and Canada)

To have on your radar this week:

- No matter your role in your Club, we are all a part of creating the culture of our Club and ensuring Rotary is in our community long past us all. One of THE best programs I have seen on Rotary in this time of COVID is Past President Jason Browne. Watch [◆ Making Membership Memorable 8 27 20◆](https://vimeo.com/452405338?ref=em-share) on Vimeo: <https://vimeo.com/452405338?ref=em-share> It makes a great program to watch as you will love Jason's high energy!
- Your money matters!! No matter your role in Rotary, our giving to the Rotary Foundation (Annual Fund and Polio Plus) collectively is our responsibility to ensure proper crediting towards our giving. How do you check to ensure that money being directly sent through Rotary direct or paying through your Club is being credited?
 - Log into to your My Rotary account at www.rotary.org, click on your name at the top right corner, then my donations. This is the most up to date report on your personal giving. Your Club President and your Foundation Chair have access to the full Club report, along with District Leadership. In this time of COVID, many transactional items can go by the wayside as we are not connected in the same way, so please ensure that your giving is being received by the Rotary Foundation. The end of the calendar year will be here before you know it for tax purposes.
 - To remove the third party in giving through your Club, simply sign up at <https://www.rotary.org/en/donate> Your Club leadership can see that you have chosen to give through Rotary direct.
 - The District goals that I have set? A minimum of \$100 per Rotarian to the Annual Fund and \$50 per Rotarian to Polio Plus. Thank you to all who have already given and continue to give. Because of YOU, millions of lives are more.
- Are you the longest serving Rotarian in your Club? I would love to know you more and hear your perspective on Rotary! Please respond by email and let me know.
- World Polio Day Event, October 24th ◆ Save the Date for a Global event with Global Rotary leaders that our District is partnering to host. Details coming later this week. You will not want to miss this opportunity to be inspired by Rotary International President Holger Knaack and other global leaders. Check DACdb for updates to the Calendar with details.

Thank you to everyone inviting me to your virtual and your face to face meetings that follow the 3Ws. I remain inspired by all that you are doing in your lives and in your communities as we place our families first, navigate our businesses and serve our communities.
