## Bobby's First Meeting

Bobby Brown's first meeting for the 2021-22 Rotary year included a short presentation by Jennifer Harrill, Interim Director of United Ministries. She talked about the challenges they faced serving their clientele during Covid and their efforts to maximize United Ministries' positive reach in the community. There are many things UM is doing to serve those in our community experiencing homelessness, under-education, lack of financial wellness, and more.

Many of the traditional Rotary meeting components were included with recognition of birthdays, anniversaries, years of service, and the like. Though our meeting was moved to United Ministries for the July 13th meeting we will be back at the Hilton for the July 27th meeting.

After raising a son and a daughter, Kristin completed a 1-year Clinical Pastoral Education Residency at Greenville Memorial Hospital. When her father passed from larynx cancer under the care of hospice, Kristin realized her calling. Kristin has worked in hospice for over 8 years as a Chaplain, Volunteer Coordination, Community Liaison,
