Oct 26 Meeting - Circles Greenville County

Beth Hicks - After a successful career on Wall Street in New York City, Beth retired to Greenville in 2013. As a Furman graduate, she says it felt like coming home. Her passion is consulting for nonprofit ministries, helping them execute their marketing, communication, and fundraising strategies. Today she works with over 40 ministries across the country helping them grow and serve the Lord.

Beth will lead a presentation on Circles Greenville County. According to their website Circles, in Greenville, provides opportunities that inspire and equip families and communities to resolve poverty and thrive.

The organization believes the ultimate responsibility for poverty or prosperity in our community rests not only in the hands of individuals, but within all sectors of our community. By engaging all segments of Greenville County, people learn to see each other differently and to think in new ways about poverty and how to eradicate it.

To that end, Buncombe Street United Methodist Church and SHARE have teamed up to bring Circles Greenville County to our community. As the first Circles chapter in South Carolina, they are connected to a network of 70+ Circles communities across 23 states and parts of Canada. CirclesUSA is the parent organization. For more information, please visit CirclesUSA.org.

Diandra Pestana - Diandra graduated from Wofford College in 2014. She began her career in outreach and case management in 2016, working with underserved and farm-worker populations across the South Carolina Upstate. In this work Diandra got to witness the realities of poverty and found a passion for helping others. She joined the Circles Family in November 2020, and now serves as the Community Outreach Coordinator. In this role she is responsible for marketing and communications, as well as managing volunteer teams and recruitment.

Meetings Via Facebook Live

Members continue to have the option of attending meetings in person or virtually. Virtual meetings will be accessible via Facebook Live. Go to the Club's Facebook page, or click [here](#), to access the Facebook stream. Please do continue to use the email from Club Secretary, Prudence Taylor, to sign up for the each meeting using DACdb. And, the Board is working to acquire equipment to hold meetings via Zoom hoping to make that available as soon as possible.

October is Economic and Community Development Month

Rotary International President Shekhar Mehta had the following words about Community and Economic Development Month. "When we work to improve the lives of people in underserved communities through, for example, projects that provide vocational training and access to financial resources we help build and sustain local economic growth.

"The need is great. According to the United Nations, 9 percent of the world's population that's 700 million people, a majority of them in sub-Saharan Africa live on less than \$1.90 a day. By supporting strong community development as well as entrepreneurs, we can help improve conditions for people in that region and others.

"Your club can also promote economic development in your own community by expanding vocational training opportunities through local schools and community colleges, partnering with lenders to improve access to financial services, or working with a nonprofit that provides resources to entrepreneurs and connects them with the business community."

Oct 26 - DACdb University Training: Quick Lesson

Oct 28 - Make Literacy Happen

As Rotarians, we know that literacy is a focus. Though South Carolina is not at the bottom of the list, there is plenty of work to be done in the state. *Make Literacy Happen* takes place October 28 from 12-1pm virtually on Zoom. Attendees will hear from:

- **Molly Spearman**, Superintendent of the SC Department of Education
- **Leesa Aiken**, Director of the SC State Library
- **Georgia Mjartan**, Executive Director of SC First Steps
- **CC Bates**, Professor in Literacy Education at Clemson University

Sign up through DACdb. Zoom credentials for the meeting are available [here](#).

Oct 30 - Halloween Volunteers at TCMU

Volunteers are needed for The Children's Museum of the Upstate ♦s (TCMU) annual Trick-or-Treat returns on Saturday, October 30. Children and families will wind their way through three floors of the decorated museum and collect candy from community vendors and sponsors. Then, head out to Bib ♦s World to enjoy food, fun, and more Halloween surprises.

This year ♦s Trick-or-Treat will take place from 9AM-5PM and will be **timed-ticketed only**, in order to manage capacities. If interested in volunteering, sign ups can be completed [here](#).

TCMU is located at 300 College Street, Greenville, SC 29601

Join us and discover a fun and informative 60-minute look to learn what Rotary is all about! Join us at the home of Ed and Carol Irick at 518 Lancelot Drive, Simpsonville, SC 29681 at 6pm. #SERVICEROCKS

DATE CHANGE - Adopt-A-Road Clean-up Moved to

DATE CHANGE: Our next Adopt-A-Road quarterly trash pick-up has been moved to Saturday, November 20th beginning at 9am. (There is another project on Nov. 13 - Legacy Park clean-up) The more people we have the faster this service project is completed. Meet at the "intersection" of Conestee Road and Conestee Lake Road in the parking lot of Bosco's Baby's Restaurant. Sign up through DACdb. The address of 202 Conestee Road does not do a good job of getting you there, but neither does 202 Conestee Lake Road. Try GPS-ing "Bosco's Baby's Restaurant" and keep in mind the intersection of Conestee Road and Conestee Lake Road.

This event will fulfill the Club's 2021 quarterly obligation for picking up trash as participants in the Greenville County Adopt-A-Road program. Wear clothes appropriate for picking up trash - a hat is recommended. All other supplies will be provided.

Pendleton Place Charity Golf Tournament a Success

On a gorgeous October Saturday, our Club provided a volunteer for SYNEX's *Share the Magic* Golf tournament on behalf of Pendleton Place. Our Club has a relationship with Pendleton Place, an organization that offers programs that protect, equip, and heal vulnerable children, young adults, and families. They strengthen children while rebuilding families because it's their goal for each child to have a stable home environment and a bright future. More information on Pendleton Place is available [here](#). SYNEX has a solid history with supporting four Upstate children's charities: A Child's Haven, Clement's Kindness, Make-A-Wish South Carolina, and Pendleton Place. Find out more about Share the Magic [here](#). It was a Caddy Shack moment when this groundhog (or is it a woodchuck) came trotting through the hole-in-one contest. He seemed to be headed to the 19th "watering" hole.

One of the 50 Rotary Facts Every Rotarian Should Know

By Cathy Harry

THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary "4-Way Test." It was created by Rotarian Herbert J. Taylor in 1932 when he was asked to take charge of the Chicago-based Club Aluminum Company that was facing bankruptcy. Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow in their business and professional lives. The 4-Way Test became the guide for sales, production, advertising, and all relations with dealers and customers, and the survival of the company was credited to this simple philosophy.

Herb Taylor became president of Rotary International during 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than 100 languages and published in thousands of ways. The message should be known and followed by all Rotarians.

"Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?

3. Will it build GOODWILL and BETTER FRIENDSHIPS?
 4. Will it be BENEFICIAL to all concerned?" And, of course, our favorite add-in: Will it be fun!

The Blue Bead Fundraiser

The Blue Bead is a fun Rotary Club fundraiser. If you would like to try your luck at a chance to win the money in the Blue Bead pot, here's how it is played.

1. Buy a raffle ticket before the Rotary Meeting starts. Just \$1. More if you want more chances!
2. Near the end of the meeting, the raffle ticket numbers of the tickets that were purchased are placed in a jar and a non-playing member or guest can draw the ticket
3. The ticket holder then comes up to try for a chance to pull the *blue bead*.
4. If the ticket holder pulls the *blue bead* then they win half of the total pot (the game is started with \$25).
5. If the ticket holder pulls a yellow bead, the bead is returned to the outside of the bag (one less in the central part of the bag).

The amount raised at each meeting through the sale of raffle tickets is added to the starting pot of \$25. If there are no winners, the pot will increase each meeting. The proceeds will be donated to project or funds of the Club Members' choosing (i.e., Rotary Foundation, Polio Plus, projects, and such).
