Last Week's Program

Our program last week was presented by Jim Newsome, President and CEO of the SC Ports Authority. He told us that over half of the economic impact from the Port operations is in the Upstate of South Carolina, and one in ten jobs are directly or indirectly due to the Port. It is currently the 9th largest container port in the US, and they have a \$2.7 billion 20 year capital spending plan.

Upcoming Programs

FUN FACTS

Gerald Bernard

I was born in Heidelberg Germany. One of my first jobs was a bowling alley manager. I was recruited and interviewed for a job by the CIA. When I was 19 years old I received a certificate of Achievement from the Department of Defense for successfully managing a youth center for military dependents. When I was fourteen years old my friends and I traveled by bike from Germany to France. I have been fortunate to complete one of my big bucket list items by traveling and visiting Iceland.
