Last Week's Program

Koger Bradford took to the podium one last time as President. He thanked several people for their efforts during the past year: Chip McLeod and Joe Mullinax for continuing the tradition of musical performance without group singing; William Gray for making our Zoom meetings happen; the Board for their leadership; Kit Jennings for his hard work during COVID to ensure our meetings continued; Bobby Lyons, Jim Reilly, and Frank Lee for their efforts. He asked folks who became members this year to stand and recognized them. He provided a review of the programs and service projects this year, calling attention to the fact that we were able to meet all of our obligations during this difficult time.
