Last Week's Program

Our program last week was presented by Savanna Hargett, who is Director of Sales for the Spartanburgers baseball team. The team is a member of the Coastal Plain League, which is a collegiate summer league, featuring top-notch college players from across the nation. The CPL proudly features 15 teams across Georgia, North Carolina, South Carolina and

Virginia. If you haven't been to a game yet, you should go and enjoy some great family fun and entertainment at the Duncan Park field!

Upcoming Programs

Aug. 3 Economic Impact of Ports - Jim Newsome
SC Ports Authority

Our new President Cindy Kelly was put to the test last week for her first meeting, as our guest speaker was almost a no show at the last minute, and she also had to call on substitutes for the invocation and health and happiness.

Well done, Cindy!!!
