## Last Week's Program

Michael Williamson delivered his new member talk before giving an update on the Northside Development Group. Their mission is to improve the health and wellness of northside residents. Howard Street is the spine of the neighborhood. Howard and College St. is where Northside Station is and there will be a Gateway Art Project here. Other developments in this area: 120 Townhomes coming to Howard St., Harvest Park and Butterfly Creek, Renovation at Victoria Gardens, \$17M, TK Greg Community Center, \$16M, Franklin School -early childhood learning center, Village at Creekside, The Ellington-50 senior affordable apartments. Plus the Northside Development Group does People Development Programs. Total investment since 2013: \$23.5 million. Leveraged this to \$126 million.

## Upcoming Programs
