Last Week's Program

Peg Howell was our guest speaker at our last meeting, coming to us via Zoom! Peg told us how she became one of the founding members of SODA, Stop Offshore Drilling in the Atlantic. The SODA Mission is to prevent offshore seismic airgun surveys and drilling for oil and natural gas along the Atlantic Outer Continental Shelf. They are an all-volunteer, non-partisan grassroots organization formed because of a desire to protect and preserve our local economy as well as the health and beauty of the Atlantic coast. She told us that Upstate South Carolina residents own \$690M in Grand Strand coastal property.
