Pledge of Allegiance

Today's Invocation: Betsy Sikma

Today's Music: Chip McLeod

Health & Happiness: Lucy Lynch

Today's Program: Update on State Issues
- Lt. Governor Pamela Evette

Last Week's Program

Our guest speaker last week was Congressman William Timmons. He talked about the dysfunction that he sees in Congress, but notes that there are some who are willing to work together across party lines. One example was the approval of \$36.5M appropriation for the clean up of Camp Croft. He told us there can be no movement on immigration issues and our Southern Border issues with the current make up in Congress.

Upcoming Programs

Nov. 23 Thanksgiving Program - Rabbi Yossi Liebowitz

Nov. 30 SC Historical Preservation Society
- History of Spartanburg - Scott Stephens
