## Last Week's Program

Our guest speakers last week were officers from the SC Highway Patrol, Lt. Bill Rhyne and Cpl. Joel Hovis, who are responsible for community relations and recruitment. They told us that one of their primary goals is to communicate with the public about safety on the highways. They said that South Carolina has one of the highest fatality rates for teenagers in the country, with a total of 889 total deaths so far this year. The main causes of these accidents are speeding, distracted driving/texting, DUI and no seat belt. More than 75% of all accidents are speed related.

## Upcoming Programs

Nov. 2 South Carolina Superintendent of Education  
- Honorable Molly Spearman

Nov. 9 Legislative Update  
- Congressman William Timmons

We were all sorry to hear that long time member Gaines Mason passed away on October 15th. Our thoughts and prayers go out to the Mason family.
