Last Week's Program

Last week we heard a presentation by Executive Director Laura Allen and Roger Sullivan about Children's Cancer Partners. Founded in 2001 in Spartanburg, their primary focus is to ensure that families facing the crisis of childhood cancer have the resources necessary to get their child to the best care possible. In addition to financial support, they also provide family assistance, host events to connect with other families who are fighting cancer, as well as sponsoring a 3-day summer camp.

Upcoming Programs

Sept. 17 YMCA - 150 Years of Community Impact
- Cassie Lloyd

Sept. 24 National Parks - Planning for America 250
- John Slaughter

President Barney poses with Laura Allen, Roger Sullivan and other members of the board and staff at Children's Cancer Partners.
