## Rotary District 7750 Leadership Visits Our Club

Wednesday, November 3, 2021

On November 2, we were honored with a visit from District Governor Frank Cox, DG-Elect Joyce Morin, and our Area 6 Assistant DG Ryan Blancke. DG Cox complimented our club on the great progress we have made in recruiting new members in a time when other clubs are struggling. He also thanked us for our per-capita contributions to the Rotary Foundation Annual Fund (one of the highest in D7750). He emphasized his priorities of reconnecting and building clubs, thinking creatively about our many activities to stay flexible in a changing environment, having events outside our regular meetings, promoting literacy, and developing our leadership.

DG Cox presented the Rotary International President Shekhar Mehta's theme banner (Serve To Change Lives) to Club President Angelica Figueroa, along with a theme pin for all members to wear proudly and as a reminder as to why we are Rotarians.

In support of his priority on advancing literacy, he presented books to Past President and Literacy Chair Tracy Little to be donated to local schools as a catalyst for our own literacy project.

To our

newest members, DG Cox presented local honey, to remind Jim Funk and Doug Norman to Bee of Service. To Kelly Collins, one of the leaders of our Growing with Rotary Pollination Project, he gave a packet of zinnia seeds, a favorite of butterflies, hummingbirds and many other pollinators. These will be planted in the ILHS pollination garden!
