Membership Summit

By Terry R. Moore on Friday, August 2, 2019

August is Membership and New Club Development Month.

What a great time to hold a District 7770 Membership Summit! So, of course, we are. On August 24th you will have the opportunity to learn some very effective membership growth strategies and how to put them to work for your club. But, we need your participation! We can provide the training, tools and resources to help you grow your clubs. It's up to you to take advantage of them. If you haven't been receiving the emails about the Membership Summit, and you would like to take part, please talk with your Club President and/or
