1st Annual Georgetown Rotary Golf Tournament

By Julie Ann Golden on Monday, August 10, 2020

Chartered in 1938, the Rotary Club of Georgetown has a long tradition of community service; helping those in need not only in South Carolina, but throughout the world.

Without being able to truly "gather" together, fundraising has been a special challenge for the Rotary Club of Georgetown, but one thing we can still do is GOLF! Get outdoors to Wedgefield Country Club because registration is now open for our 1st Annual Georgetown Rotary Club Golf Tournament!

The Rotary Club of Georgetown has supported a number of local and regional projects:

- The YMCA Splash Program, offering free swim lessons to over 60 kids.
- Provided shoes, socks and coats to needy children within our community through Happy Feet and Operation Warm.
- Provided dictionaries to elementary school kids.
- Helped provide hot meals and served at Friendship Place.
- Through Rotary Readers, we have impacted the lives of numerous children and helped them learn to read.
- And, we have also supported Alzheimer's research through CART every year.

There are many other projects as well ♦ but you get the point. We are doing an awful lot of good ♦ and we need your help to continue doing that!

There are a number of sponsorships available to fit any budget. We understand that this year has been a challenge for everyone, but we ask that you please consider playing in the tournament or becoming a sponsor to help the Rotary Club of Georgetown continue helping those in need.
