Service Project

Rotary International has approved our grant requesting funding for the YMCA Splash Program and funds will be awarded to the club some time in September.

Swim lessons will end the first week of September. Angie is working with the new YMCA Director to set up a time for the celebration and awards party for the children who participated. An email will be sent to all club members with details once it has been scheduled. Please respond to her email indicating whether you wish to volunteer to help distribute certificates and metals at the party.

1st Annual Georgetown Rotary Golf Tournament

Thanks to all who have helped, we've received \$7,650 in commitments for the golf tournament. We have done well with sponsorships, but we still need players.

Please invite your family, friends and colleagues to join us on the course Saturday. We have a 8:30 am shotgun start and registration will start at 8:00 am. Golfers can send in payment in advance or pay at the registration table on Saturday. The cost is \$75 per player.
