Rotarian of the Week - Michael Yip

Michael was born on February 20 in Hong Kong, China. He joined Rotary in 2018 as a corporate member of the Georgetown County Water and Sewer District. Michael graduated from Marion High School and obtained his bachelor's degree in mathematics, chemistry, and physics as well as a master of science in environmental management.

He is the operations director for the Georgetown County Water and Sewer District and is married to Cindy. They have two children and celebrate their wedding anniversary on October 26th. Michael is a member of the Water Environmental Association and the American Water Works Association. In his spare time he enjoys ping pong, tennis, the beach, quality time with his family and giving back to the community.

Speaker of the Week - Lisa Haas, Miss Ruby's Kids

Lisa Haas was born in Charleston, SC and raised in Texas, where she graduated from Permian High School of the football movie and TV show fame- Friday Night Lights (Go MOJO). After graduating from Texas State University (Go BOBCATS), Lisa worked for years in the restaurant business, which paid her way through college. She always says the restaurant business will prepare you for any line of work in life, bookkeeping, inventory, public relations, janitorial, cooking, insurance, sales, and more.

After moving back to SC in 2001 with her three children to be closer to her family, Lisa worked as a commercial insurance agent for a local insurance agency. In 2013 Lisa left the insurance business and set out on her own; she opened Green Bean Consignment Boutique, which allowed her flexibility of hours and the chance to help keep Georgetown greener. Operating her retail business on Front Street led her to join the Georgetown Business Association. She served on the Executive Board in several positions for five years, including Secretary (3 years), the Music in the Park Committee (5 years), and the DMO Treasurer (2 years) for the City of Georgetown's marketing. While her children were in school, she served on many event committees such as the Georgetown School of Arts and Sciences Oyster Roast and the PTO; all organizations helped her learn how to organize events.

In 2018, Lisa joined Miss Ruby's Kids team as the bookkeeper while still running her store. After the Executive Director left, Lisa took the Director of Operations' position and serves as one of two MRK Directors. Lisa manages the day to day finances, grant writing, payroll, human resources, compliance, and outreach. Lisa

closed the Green Bean in 2020 due to covid19, and now, with her children grown, a Barber, an Educator, and the last one in Culinary School, she focuses on her one grandchild and Miss Ruby's Kids' mission.

Weekly Club News

CLUB SOCIAL CANCELLED! The social scheduled for November 7th has been cancelled. We are hopeful that the COVID situation will improve and we will be able to have a Christmas or Valentine's Day social.

October 27, 2020 - NO MEETING!

FRIENDSHIP PLACE - I would like to see our club involved at Friendship Place at least on one Friday of each month as they are continuing efforts to reach the needs of the community. They continue to serve hot meals Monday - Friday at 11 am. Volunteers are needed from 10:30 - 12 and duties include plating the meal, bagging the meal to go, and monitoring distribution of the take out meals at their back door. 100% masks and gloves required at all times and a health screening (including Temp Check) upon entry into the facility. ServSafe Food Handler Certification is required to volunteer as well as a background check from our Online Database using your drivers license (identical to the School check in at GDSC). Friendship Place will pay the \$15 for the Food Handler Certification Online Class for anyone wishing to help. The training and test takes approximately 3 hours to complete. I personally plan to complete the training in the next week or so. If you are interested in serving at Friendship Place, please contact Kelley Brinson at 843-240-0987 or by email at info@friendshipplaceinc.org.

CLUB BBQ - Our BBQ fundraiser will be held on December 4th. Orders will be accepted through November 24th. Plates are \$10 each and include pulled pork BBQ, green beans, slaw and roll. We will be using the kitchen at Duncan United Methodist Church and plates may also be picked up there. We need all members to help with selling plates and help with delivery... our goal is a minimum 250 plates. Orders should be sent to Bob Keith by email (rkeith@4decisions.biz or text 843-254-5554). He will send a confirmation back with a simple "OK" . If you don't get confirmation back from him within 24 hours send it again. He will keep track of the orders.
