Soundings Goes Viral - June 24, 2020

By Linda Neff

This is the last Rotary meeting of our fiscal year where we bid adieu to President Robert Eberly III and the people in their current Officer and Director roles. While this is usually the time for a review of the year's accomplishments and the presentation of awards it will still include all of that in very unique ways during yet another ZOOM meeting. We've stayed healthy, yet apart physically, but we should be very proud that we've offered many ways for members to connect via ZOOM for formal and informal meetings and telephone calls. If you haven't participated in any meetings, you've missed some very good speakers and presentations and opportunities to chat with fellow members. While we'll need to continue this media approach for several months to come at least take advantage of the opportunity to attend meetings from the comfort of your own home or office.

In addition to Robert's presentation, there will also be time for some club business discussion and happy dollars (those virtual dollars never hurt your bank account!) Contact Joe Chappell if you have any trouble joining the meeting.

FUTURE WEEKLY MEETINGS

There is NO MEETING next week - July 2nd. Probably no fireworks either even though the 4th of July will be a part of that week. The next Rotary meeting will be July 9th, when the new board will be installed and we'll hear from our new President Dean Roberts. The meetings will continue to be on ZOOM for at least another two months.

Meanwhile, we are recording our meetings even now, and posting them on a YouTube channel so members have options on how to participate in weekly meetings. The link to view them is

CLUB NEWS

JULY INVOICES When the July invoice are issued for this next quarter, no one will have any meal charges on their bills, no matter what plan they are on. If we are able to resume Live meetings any time during the quarter, everyone who comes will either pay for their meal on that day or have it billed on the October invoice. This seemed much more sane than billing meals then having to refund or redirect that amount yet again. As time goes on and live meetings resume, and with meetings being recorded, there will be choices as to where and how you attend meetings. Stay tuned.

In practicing social distancing, this year's End of Year (EOY) party will be a virtual event. Similar to our recent weekly Rotary meetings, the event will take place in a Zoom Meeting. President Robert is hosting a cocktail party with heavy hors d'oeuvres. The twist on this year's party is that you will be submitting the recipes and, if you like, preparing the drinks and appetizers for your own consumption!

Rotarians are asked to submit recipes of their favorite appetizers and/or drinks. You may forward your recipes using [Google Forms](#) or by emailing them to shamlin@hargray.com. Please send your recipes as soon as possible as they will be collated into an eCookbook (Club Quarantini Cocktail Party Cookbook) which will be distributed to the membership. Prior to the EOY party, members, family, and guests will prepare either their favorite recipes or ones from the eCookbook to be enjoyed virtually during the EOY party. Submit as many recipes as you like! When things get back to normal, we will plan a Fellowship event where we can enjoy the recipes in person!

This year's theme is Beaching it! Please wear your favorite festive beach outfit and hat. You will be judged! For the tech savvy, or if you know a teenager who is willing to help, you can also change your [Zoom virtual background](#) to a beach theme.

This is one opportunity for you, your spouse or partner, and any other friends to attend a fellowship event without even leaving your house! And it's free. No weather issues. No bugs, no heat or humidity. How perfect can it be?? PLEASE join us and make this final activity of this Rotary year a special one!

VIRTUAL HAPPY DOLLARSSSS

Joan Simpson Player is delighted that Bob Eberly has accepted the role of Soundings Editor starting in July. She's also thrilled that we will be producing it electronically, a desire that several previous presidents had hoped to achieve.

Linda Neff that every current member who has advertised in our printed version of the Soundings has renewed their sponsorship and will be noticed every week by meeting attendees, non-attendees, and regular visitors who want to stay abreast of what's happening in our club.

Sandee Brooks - I have a happy dollar for you, being the backbone of the club and keeping us well informed. Thank you Linda

Beverly Maloney - Excellent job Linda, thank you!!! Who is going to be writing the Newsletter?

Editor's Note: Bob Eberly!!!

Jody Levitt I'm Happy because my granddaughter turns 1 year old on Wednesday and we are going to OH to see her this weekend!!

Kathi Bateson - I've got \$20 happy dollars, one for each of the wonderful years I have been in Rotary having joined in October 2000 and sponsored by Dr. Jack Bass. For now I need to leave Rotary while I reengage my consulting company -- Management for Business and the Arts. However, I would enjoy volunteering so call on me. See you at the year-end party. You all been so wonderful and I will miss you.

Linda Neff Thanks to so many of you who made me happy by sending me notes of thanks, appreciation, and creativity for all these years of Soundings, and the creation of the viral Soundings before we even had ZOOM meetings for keeping you in touch, and chuckling through these weeks of the pandemic.

LAUGH for the day - Thanks to Sandee Brooks

1. Is it too early to put up the Christmas tree yet? I have run out of things to do.
2. When this virus thing is over with, I still want some of you to stay away from me.
3. Just wait a second so what you're telling me is that my chance of surviving all this is directly linked to the common sense of others? You're kidding, right!
4. People are scared of getting fined or arrested for congregating in crowds. As if catching a deadly disease and dying a horrible death wasn't enough of a deterrent.
5. Another Saturday night in the house and I just realized the trash goes out more than me.
6. Whoever decided a liquor store is more essential than a hair salon is obviously a bald-headed alcoholic.
7. Remember when you were little and all your underwear had the days of the week on them. Those would be helpful right now.
8. The spread of Covid-19 is based on two factors: 1. How dense the population is and 2. How dense the population is.
9. Remember all those times when you wished the weekend would last forever? Well, wish granted. Happy now?
