### This Week's Meeting

Our July 30 meeting will feature Cassey Chambers, the Operations Director for the South African Depression and Anxiety Group (SADAG). She will describe SADAG's organization and mission and discuss the current state of mental health in South Africa. Ms. Chambers will also share insights regarding the impact of COVID-19 on the mental and emotional health of South African citizens and the effect of the virus on South African health care workers during the pandemic and beyond.

As before, this week's meeting will be conducted via ZOOM.

**NEW ZOOM LINK!!! We have a new ZOOM link! The link you used in the past will not work!**  
Contact Joe Chappell if you have any trouble.

We continue to record our meetings and post them on a YouTube channel so that members have an option for participating in weekly meetings. Copy and paste the following link to your web browser:

### Future Weekly Meetings

Our August 6 meeting will feature Major General Craig B. Whelden, U.S. Army (retired). General Whelden was present in the Pentagon during the 9/11 attack. In his presentation, **9/11: A Personal Reflection**, the General will describe how he spent the next two days assisting first responders at the crash site. Upon returning to his duty station in Hawaii, he led the initiative to secure the state, an effort that resulted in national recognition. Hear his insights into the challenges of responding to a disaster of that magnitude and learn more about the intended targets in Washington, D.C. and the breakdown in intelligence that led to the attack.

### Club News

Club members can now make actual (as opposed to virtual) Happy Dollar donations to CART via [www.mycartfund.com](http://www.mycartfund.com). All members should have received an email by now with detailed instructions for making donations that will be credited to our Club. Please contact President Dean if you have any questions or experience any problems completing your donation.

As President Dean has noted, the needs of Rotarians and the communities they serve will likely be quite different post-pandemic than they were pre-pandemic. John Lundin is chairing an exploratory task force to identify means and methods by which our Club might lead in facilitating a more rapid exit from the

current pandemic induced recession within our community. Club members interested in participating in this task force should contact John at [john@askdrjohn.com](mailto:john@askdrjohn.com).

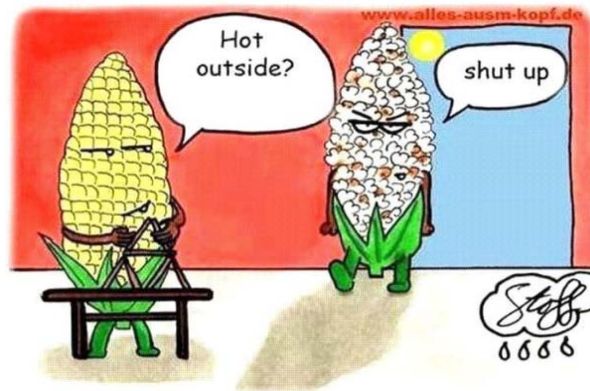

Guests and visiting Rotarians are always welcome at our Club meetings, and ZOOM meetings are no exception. Feel free to invite friends to any meeting you think they might enjoy, and let visiting Rotarians know that we are still meeting every Thursday via ZOOM. Please give President Dean or Sergeant-at-Arms Michael Murphy the necessary contact information for your guest(s) or visiting Rotarian(s) no later than the day before the meeting. President Dean or Michael will insure that the necessary ZOOM access information is provided and will recognize the guest(s) or visiting Rotarian(s) at the meeting.

President Dean is instituting a regular feature as part of our weekly meetings called **ASK THE PRESIDENT** in an effort to alleviate the uncertainty surrounding the effects of the Coronavirus pandemic on Rotary in general and our Club in particular. Club members should email Dean ([rdroberts29926@hargray.com](mailto:rdroberts29926@hargray.com)) any questions they have regarding how we (Rotary and our Club) are dealing with the pandemic, and how we envision what emerging from the pandemic may look like. One question will be selected each week for a response that will include input from our Club leadership and Club members as appropriate. Get your questions in to Dean today.

### Famous Rotarians

This is the first in an occasional series of articles featuring famous Rotarians throughout history. To start us off, we begin with **the Colonel**, Harland David Sanders, a member of the Rotary Club of Jeffersonville, Indiana. An honorary Kentucky Colonel, Sanders, who was born in 1890, began selling fried chicken from a roadside restaurant in North Corbin, Kentucky during the Great Depression. During that time he developed his secret recipe and his patented method of cooking chicken in a pressure fryer. He franchised Kentucky Fried Chicken when he turned sixty and sold KFC at age seventy three for \$2 million. In 2013 the company had an estimated net worth of \$15 billion. It is owned today by Yum! Brands. Harland Sanders passed away in 1980, having introduced millions of satisfied customers to his finger lickin' good Kentucky Fried Chicken.

Thank you, Sandee Brooks, for some summer humor!

### The Four-Way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
