This Week's Meeting

This week's meeting will feature a program by Jon Rembold, Beaufort County Airports Director. The Beaufort County Airports Board assists the Beaufort County Council by providing technical, financial, business and marketing advice to assist in promoting the County's public aviation facilities. Mr. Rembold will present an overview of recent developments at Hilton Head Island's Airport. In addition, if we display sufficient attentiveness, he may agree to enlighten us regarding the latest news from Frogmore International Airport (aka Beaufort Executive Airport).

Now that we have begun to hold hybrid meetings (see below) we will continue to facilitate virtual attendance via ZOOM. You can [CLICK HERE](#) (if necessary, hold down the Control Key as you click) to join the meeting. Contact Joe Chappell if you have any trouble.

Please note that our weekly ZOOM meetings begin at 12:00 PM (noon), not 12:30 PM.

We continue to employ ZOOM breakout rooms to encourage member socialization. When you join our regular meeting, you will be sent to a breakout room -- a "virtual table" -- where you'll have 5-10 minutes to socialize, catch up with and/or get to know the other people at your table.

Here's a summary of last week's meeting, provided by Linda Neff. Our speaker was Tallujah Trice, Director of Beaufort County Animal Services and Control. Beaufort County Animal Services' mission is to promote responsible domestic pet/livestock ownership, prevent the spread of animal borne disease, and protect the public by seizing nuisance pets/livestock. They also provide temporary shelter for stray, unwanted or homeless pets and maintain a vigorous program of health screenings and vaccinations, as well as spaying/neutering services. Ms. Trice discussed the measures taken by the County and the progress and success made in the past 5 years.

Future Weekly Meetings

Next week's meeting will feature a program by our own Amanda Williams-O'Nan. After leaving public school education as Hilton Head Island High School's principal after 12 years, Amanda started her own business, Clear College Counseling as a consultant and advisor to young adults trying to go to college. That led her to purchase IJGA, a local golf academy, and later to acquire Heritage Academy where she is not only the owner but Head of School. Heritage Academy's vision is to set students apart on a global level and to compete with students internationally.

Update on Capturing COVID: Voices & Images from the Middle

By Kathleen Harper, Hilton Head Island Middle School English teacher and Rotary liaison for Junior Interact

Following are images of the top five art projects, as determined by our three judges ♦ Jenn McEwen, Director of Cultural Affairs, Town of HHI; Ahmad Ward, Executive Director of Historic Mitchelville Freedom Park; and Debi West, local artist and instructor. 165 drawings were submitted, and 105 were selected for publication in our anthology. The judges were impressed by our students' ♦ talent and their varied expressions of what it has been like living through COVID as a ♦ child in the middle ♦.

Students and staff voted for the cover art this week and chose the young girl with the American and Canadian flags. Interestingly, that drawing was the first choice of two of the three judges!

I will be taking all of the materials that are to go in the book to Chuck Lobaugh at Curry Printing next week so that we can start laying it out. I should have a good estimate on a timeline for publication once I ♦ve met with Chuck, so I ♦ll update you as soon as I have an idea of when the book will be ready to offer for sale.

Volunteer Request for Juneteenth at Mitchelville - Saturday, June 19

As President Dean recently requested, the Mitchelville Preservation Project has asked if our Club might be able to provide a half dozen or so volunteers to drive golf carts to accommodate general transportation needs for the Juneteenth Celebration at the Park on Saturday, June 19 -- nominally between 10:00am and 3:00pm (perhaps in two shifts). Please let [President Dean](#) know if you are interested in helping and he will coordinate the effort with Mitchelville. This is rapidly developing into an important annual event on the Island and it provides us with a golden opportunity for visibility that can help build Club diversity.

ZOOM Etiquette

As we continue to meet via ZOOM, please remember it's possible for our speaker, as well as other Club members, to see a member's Chat entries. This has the potential to be embarrassing, not only for the members involved, but also for our Club. Please refrain from using the Chat feature for non-program related questions or comments. But please do use the Chat feature for your questions or comments related to the program!

Happy Dollars

Club members can make actual (as opposed to virtual) Happy Dollar donations to CART via www.mycartfund.org. Virtual Happy Dollars have been a great feature of our weekly ZOOM meetings, but haven't necessarily translated into cash contributions. The Cart Fund Portal is a channel that can facilitate converting virtual Happy Dollars into actual donations by establishing a virtual CART Bucket. Club members can announce their Happy Dollars during the ZOOM meeting and then donate actual Happy Dollars via the Portal. Please contact President Dean if you have any questions or experience any problems completing your donation.

No time to announce your good news Happy Dollars during our Zoom meeting? No problem! Send your Happy Dollar news to Soundings Editor Bob Eberly prinzarnulf@hargray.com. We'll print them in the next edition of the Soundings.

Do you have a Happy Dollars moment or event to share?

Invite Your Friends to Attend!

As always, Club members should feel free to invite friends or visiting Rotarians to attend our weekly ZOOM meetings. You may certainly invite a prospective member to one of our meetings as well. It's an easy way to introduce someone to Rotary, and since all of our members' names are listed by their ZOOM squares, a potential member can see at a glance who else belongs to the Club. Remember to provide President Dean or Sergeant-at-Arms Michael Murphy information regarding potential visitors and guests so that they may be recognized at the meeting.

The Four-Way Test

Of the things we think, say or do

- 1. Is it the TRUTH?**
 - 2. Is it FAIR to all concerned?**
 - 3. Will it build GOODWILL and BETTER FRIENDSHIPS?**
 - 4. Will it be BENEFICIAL to all concerned?**
