## Spring Valley Rotary And Impact By Rotary Prepare Meals

By Michael J Burney on Tuesday, October 12, 2021

The Spring Valley Rotary Club, and its companion club, Impact By Rotary, turned out in support of the Harvest Pack meal preparation event Saturday, October 9th at Spring Valley Baptist Church. The team manned one of six production lines to turn out hundreds of bags contained healthy cinnamon oatmeal meals.

In total, teams produced and packed roughly 82,000 of the meals which will stay in the Midlands community and used to provide a healthy breakfast to many children in need.

"This was the first event with our lunch club and Impact members working side-by-side," said Spring Valley Rotary President Michael Burney. "It is exciting to see our new Impact By Rotary members already jumping in to serve!"
