

The Rotary Club of the Torrington and Winsted Areas

Tuesday's Today!

Last Week's Program:

Last week we enjoyed a talk by Rick Lynn from the Northwest Hills Council of Governments, who spoke to us about the COG's regional trail planning initiative. It was an interesting talk and among many interesting tidbits was revealed that in the Northwest corner, we have over 540 miles of public access walking/hiking trails that we could take advantage of. It was an interesting lecture and Rotarians who seek opportunities for fitness are urged to check out this link to the NORTHWEST HILLS COUNCIL OF GOVERNMENT'S REGIONAL TRAILS VIEWER <https://northwesthillscog.org/nhcogtrails/>

There, one can choose their walk and efficiently plan their mileage and terrain. It's a wonderful resource! Thanks to Brenda DiCarlo for having Rick come and speak to us.

This Week's Program:

This week, President Maria has secured for us Torrington Police Chief Bill Baldwin who will be giving us an update as to the police dept. in this time of COVID and social change. We're looking forward to Chief Baldwin's time with us.

- They will have at most ½ hour to do their presentation. Including time for questions.
- It is not the policy of the Club to donate funds raised from the Sergeant-at-Arms presentation to the organization represented by the speaker on the day of the presentation.
