

The Rotary Club of the Torrington and Winsted Areas

Tuesday's Today!

Last Week's Program:

We held no meeting and two days later, we all celebrated the New Year holiday in our own way. Here's to a great 2021!

This Week's Program:

Paul Rougeot brings us Rob Simon and Chris Smedick to give us an update on the Torrington PAL program. They will be giving us an update on the program and how it had to adapt to COVID. They've presented to us previously and we all know that PAL is a vital program which has a positive effect on the youth of Torrington.

Scheduled Committee Meetings:

Board meeting, Thursday, January 14, at 8am via Zoom. Board members will receive an email with the contact info.

Also, please let your presenter know that if there's any concerns about the functionality of their presentation, an option is for them to email any presentation they may have to Matt ahead of time who can install their presentation on his laptop to minimize potential complications.

It is your responsibility to introduce your speaker.

Please inform the speaker of the following guidelines of The Rotary Club of the Torrington & Winsted Areas:

- They will have at most ½ hour to do their presentation. Including time for questions.
- It is not the policy of the Club to donate funds raised from the Sergeant-at-Arms presentation to the organization represented by the speaker on the day of the presentation.
- Further, an invitation to make a presentation to The Rotary Club of the Torrington & Winsted Areas does not suggest that the Club endorses the presenter's views - political or otherwise.
- The Rotary Club of the Torrington & Winsted Areas does not provide an honorarium or reimburse a speaker in any way and a presentation to the Club should not be made with an expectation of financial support.
