

The Rotary Club of the Torrington and Winsted Areas

Tuesday's Today!

Last Week's Program:

Lee Hall introduced George S. Logan who is a former Connecticut State Senator (2017 to 2021,) and who has announced his candidacy for Connecticut's 5th congressional district. He's a Republican who was born in New Haven and educated at the University of Bridgeport and Notre Dame High School.

George gave us an impressive introduction to himself, his goals and philosophy. He explained why he seeks the 5th congressional seat and outlined many specifics of his platform. This page of priorities on his website explains his approach: <https://www.georgeloganforcongress.com/priorities/>

We enjoyed hosting him and we thank Lee Hall for inviting him to speak!

If you've scrolled down this far, you're one of my favorite people! Please remember to watch this space weekly so that you can appropriately plan for when it's your time to provide the club with a

program/speaker. All of us working together in this regard makes for more interesting meetings and a better, more informed club!

If your presenter will require the projector and the screen to be set up, please let Matt know ASAP. Also, please let your presenter know that if there's any concerns about the functionality of their presentation, an option is for them to email any presentation they may have to Matt ahead of time who can install their presentation on his laptop to minimize potential complications.

It is your responsibility to introduce your speaker.

Please inform the speaker of the following guidelines of The Rotary Club of the Torrington & Winsted Areas:

- They will have at most ½ hour to do their presentation. Including time for questions.
- It is not the policy of the Club to donate funds raised from the Sergeant-at-Arms presentation to the organization represented by the speaker on the day of the presentation.
- Further, an invitation to make a presentation to The Rotary Club of the Torrington & Winsted Areas does not suggest that the Club endorses the presenter's views - political or otherwise.
- The Rotary Club of the Torrington & Winsted Areas does not provide an honorarium or reimburse a speaker in any way and a presentation to the Club should not be made with an expectation of financial support.
