Announcements:

Robin gave a thank you to all that reached out to her during her absence and wished her well. We are still waiting for the police bill to figure out the net gain for the Carnival. More on {age Two!

Today's Program:

A Warm Welcome to Michele Call, Executive Director of the Madison Chamber of Commerce!

After more than a decade serving in the chamber world, Michele (right) was recently appointed executive director of the Madison Chamber of Commerce. Her predecessor, Eileen Banisch, moved to South Carolina but is working remotely as the chamber's Director of Operations. Michele worked under Eileen for the past two years as Assistant Director, and Eileen suggested her for the job when she decided to move south.

Michele, who has lived in Guilford for 23 years, also worked for the Guilford Chamber of Commerce and, when it merged with Branford, the larger Shoreline Chamber. Her first official day at the helm was June 15, and she says running the Madison Chamber is her dream job.

"It's very fulfilling for me," she says. "I love supporting local business, so it's been a passion of mine for the whole 10 years I've been in the chamber world. To be here and to work with this chamber is just a dream."

"Have Patience: All Things are Difficult until they become easy."
