### Weekly Meeting Oct 6, 2021

By Gerald Gilstad on Tuesday, October 12, 2021

Niantic Rotary Club  
Meeting Summary  
October 6, 2021

NOTICE: Starting with this meeting it will be the club policy to distribute a summary of each meeting primarily for the benefit of those who couldn't attend.

#### Meeting Summary

The primary purpose of the meeting was to recognize the ELHS students of the months for September and October. The students honored today represented the English and Mathematics Departments.

In the absence of President Jeff Newton, Esther Williams conducted the meeting.

There were 23 in attendance including 5 guests.

No one won the raffle because no one had the number that was drawn. Better luck next week.

Tom Thibault introduced the faculty representatives from the two departments who, in turn, introduced the two students being honored. The faculty representatives were: Jeff Beale (English) and Roger Templeton (Mathematics). The two students-of-the-month were: Jennie Sherwood (English) and Mattie Fraser (Mathematics).

Laura Frisch reminded the club that pie sales will close on October 14. She also invited any who had not already done so to sign up for **Boots for Kids**. Esther stated that we had an opening for a guest speaker on October 20. After some discussion, it was decided that Jeff should invite Paul Formica to be the speaker that day.

The meeting adjourned at 1:25 pm
