NIANTIC ROTARY CLUB
 Meeting October 13, 2021

Meeting Summary

President Jeff Newton posted four questions on the walls for the membership to read and consider. The four questions were:

1. What would you like to see Niantic Rotary engage in more as a service organization?
2. If you could change one thing about Niantic Rotary, what would it be or what would you like to see us do differently?
3. What would you like to see Niantic Rotary engage in as a functioning organization?
4. In an effort to better serve Niantic Rotary and support events/activities, what would you like to become more involved in to support our club?

Members were invited to comment on the four questions either verbally or in writing. Here is a sampling of the responses:

- a. We need to get more new members.
- b. We need to learn more about the businesses of our members.
- c. We need to do a better job of using District support
- d. We need more social gatherings

Jeff said that he would prepare a summary of our responses and present it at a later date.
