May 2022

See you in Houston!

Hopefully, you have already registered for the International Convention in Houston! It is shaping up to be a wonderful event. Of course, Rotary Leadership Institute will be there too. We will have a booth in the House of Friendship with information and people you can talk to with questions and ideas. It is also a great place to meet up with all your RLI friends from around the world!

Visit us at Booth 906.

We will also have an RLI Breakfast with an annual report and awards. It will be the morning of June 8 from 7 to 9 am local time. Be sure to register! You can register from our website or use this link:

How do you Celebrate Your Team?

Rotarians don't work for awards or recognition, so are awards really necessary? Absolutely! Awards are simply a way to say thank you to the people who go out of their way to make things better or go that extra mile. Saying thank you to your team is a great way to let them know how much you appreciate their hard work.

So, how are you saying thank you to your team? The Northeast America Division (RLI-NEA) presents an award each year called the Yvette Palmer Award. It is named after a PDG that dedicated years to training and mentoring facilitators for RLI. We congratulate PDG Liz Cullen of Newburyport in Rowley, Massachusetts, USA, the winner of this recognition for 2021. They also allow participants to vote for their favorite Discussion Leader and recognize one every year.

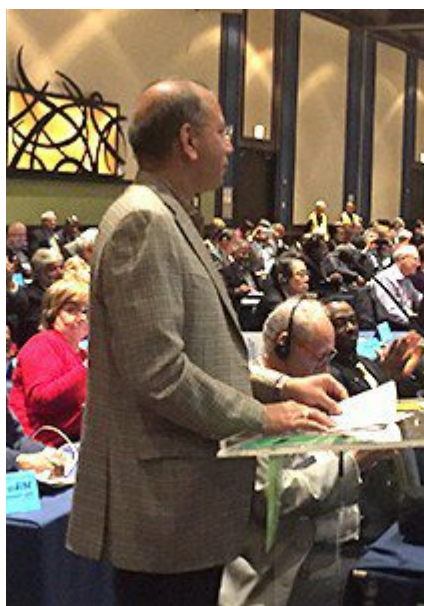

What are you doing to say thank you? Share your best ideas. We would love to hear them.

And THANK YOU for all you do for RLI!

Council on Legislation 2022

Every three years Rotary International holds a Council on Legislation to consider changes to the organization's governing documents. Each district in the world has a representative and proposals are submitted by Rotarians, clubs, districts, and the RI Board of Directors. You can always count on spirited debate and lots of ideas.

This year the council considered 94 proposals. Here are some of the proposals that were approved:

- 22-13 A member does not have to work or reside in a club's territory
 - 22-15 Satellite members can come from any club, not just the home club
 - 22-18 Rotaractors can serve on RI committees
 - 22-46 Increases dues each of the next 3 years
 - 22-70 Update the wording of the Constitution without substantive changes
 - 22-78 Changes the wording of the Community & International Service Avenue of Service to include the phrase "positive peace"
 - 22-92 Removes club board approval of Rule of 85. It is now automatic
- (This is not a complete list!)

We will be updating curriculum to include the changes. Please make sure your discussion leaders are away of the changes and address them in any sessions before July 1 this year.
