A message from your President

Without a regular club meeting this month, it may seem like we have taken a break, but that couldn't be further from the truth. We had two big events this month with the 4th of July Parade and the Rotary picnic with Daybreakers. Both events showcased all the right things about this club - excitement, commitment, impact, friendship and fun. On top of that, committees are all charging ahead with plans for the rest of the year. I encourage you to join in if you haven't already.

I'm so proud of where we are and where we are going! See you Aug 1st where Teresa Wippel from My Edmonds News will be our guest speaker."
