### A message from Becky...

Welcome, my fellow Rotarians, to the new Rotary year and our New Leadership Month! I know you have all worked very hard this past year as we were coming out of a few very challenging years, and I look forward to your continued passion and enthusiasm for Rotary. Thank you so much to iPDG Bruce Mackey and his leadership team and Club Presidents for a hugely successful and memorable year. We all accomplished so much together, and your continued service is greatly appreciated.

As we begin this new year, we are all a part of making history in Rotary. Rotary International President Jennifer Jones is taking the helm, and will be our first female President in Rotary's 117-year history. Her theme is "Imagine Rotary" which gives us all the ability to make our dreams for our communities, the world and each other possible, if we can just imagine it.

The theme logo and colors have a lot of meaning as well, and with that understanding comes the appreciation of all the thought that went into them. The colors – purple, green and white – are a nod to women suffragettes, but can also mean polio, the environment and peace. The circle with the seven dots around it represents our Seven Areas of Focus, with us all sitting around the table working together and guiding our passion for Rotary. The green line below it is a digging stick, which represents getting things done. The logo was created by an Indigenous artist from Australia, where our 2023 RI Convention will be held.

I joined Rotary first because my boss tapped me to, but quickly found that I had a home. I stay in Rotary because of the people; my Rotary friends are my family, and I'm looking forward to expanding my family throughout this Rotary year. While every new District Governor has goals for the year, my greatest goal is to bring our family closely together, and our missing members back to active engagement. Our members are our greatest asset, not just for service but for the experience we all have when we join together to meet, build friendships, network and have an impact on what's most important to us. Rotary is a well-kept secret, so let's all make sure we share our experiences and invite others in.

As a District, we are here to serve you and your clubs. We have a wonderful group of dedicated Rotarians, with a great amount of expertise, who are here to assist you with your endeavors and achieving your dreams. Please reach out to them as a resource and for support; they are listed on our District Website at [rotary5230.org](http://rotary5230.org) and in DACdb at [www.dacdb.com](http://www.dacdb.com). We will also continue our District-Wide service projects that have been so successful and have provided us the opportunity to bring our clubs together in a very meaningful way. I hope you will come out and get your hands dirty!

I will be hitting the road shortly to spend time with you and your club, so please join me! Getting to know our membership and celebrating your successes, as well as having some fun in the process, is a wonderful opportunity that I will cherish. Thank you to all of our membership for your continued service to your communities both locally and internationally; it is an honor to be able to share this journey with you.

**Jennifer E. Jones**  
**President-elect 2021-22**  
**Rotary Club of Windsor-Roseland**  
**Ontario, Canada**

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor and chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the Year Award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.).

As the first woman to be elected president, Jones understands how important it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) Statement. "I believe that diversity, equity, and inclusion ... begins at the top and for us to realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership," Jones said. "I will champion double-digit growth in both categories while never losing sight of our entire family."

Jones has been a Rotary member since 1997 and has served Rotary as RI vice president, director, training leader, committee chair, moderator, and district governor. She played a lead role in Rotary's rebranding effort by serving as chair of the Strengthening Rotary Advisory Group. She is the co-chair of the End Polio Now Countdown to History Campaign Committee, which aims to raise \$150 million for polio eradication efforts. She also led the successful #RotaryResponds telethon in 2020, which raised critical funds for COVID-19 relief and was viewed by more than 65,000 people. Jones has also received Rotary International's Service Above Self Award and The Rotary Foundation Citation for Meritorious Service. She and her husband, Nick Krayacich, are members of The Rotary Foundation's Arch Klumph Society, Paul Harris Society, and the Bequest Society.

### **Presidential initiatives 2022-23**

Diversity is one of Rotary's longstanding core values and greatest strengths. Jones knows there is more to be done to ensure that Rotary's culture exemplifies our values of [diversity, equity, and inclusion \(DEI\)](#). Rotary, with input and guidance from the [DEI Task Force](#), has strengthened our commitment to DEI, resulting in a greater focus on celebrating every individual's contributions, advancing equity, and creating a more welcoming and inclusive culture.

During the 2022-23 year, Jones encourages each of us to do our part to ensure Rotary is a welcoming and inclusive community by:

- Learning more about DEI in Rotary, including understanding [definitions](#) and how to celebrate and respect our differences.
- Determining why DEI matters to our club and community and how using DEI principles can help our club grow and become stronger.
- Raising awareness of DEI, including creating a DEI committee in your club that reflects the demographics of your community.

Taking action on DEI in our club and community for instance educating yourself about underrepresented groups in your community in order to become a more knowledgeable and effective advocate for DEI.

Learn more and take action by reading the [DEI presidential brochure](#).

Jones will also continue RI President Shekhar Mehta's [Girls Empowerment initiative](#), recognizing that empowered girls become empowered women. Share your Girls Empowerment projects on Showcase.

*In Rotary, July is a time of new beginnings, a time to reconnect with each other across distances and differences and to respond to change, a time to show Rotary Opens Opportunities.*

*As we reconnect, and respond, this is a time to reassess, to envision; it is most importantly a time to set goals and to determine how we will serve our Communities, our Nation and the World, seizing opportunities for service.*

*The ability to see and act on opportunities that are opened through friendship and fellowship is what makes Rotary so very different. And the willingness of all Rotarians to safely serve as they are able, locally or globally, is what unites us.*

## And It's a wrap! Pennies For Polio

The Cultural Arts Club Of Fresno Did it again!

They raise a whopping \$3810.36 doing such creative activities to raise Pennies for Polio. With the 2-1 match from the Gates Foundation that = \$11,431.08. Incredible!!

They Premiered a Movie, Janka, (fantastic movie if I do say so myself) They held a concert with the Music Academy, They engaged the little ones to collect pennies, They rolled a 4' carved wooden penny to their events such as their local Deli. They even went as far as London! Then it took them 2 hours at the coin machine to cash in their coins.

Now That is fantastic and that's what makes Cultural Arts Rotary Club The Pennies For Polio Rock Stars.

## Meet Deborah Volosin AG Area 6, District Trainer

I was raised in the home of pastor, so my life of hospitality and service began at a very young age. It was common for my parents to be hauling food to a neighborhood or distributing basic needs to different groups during the big citrus freezes or around holiday times. But, it was even more common for my Dad to bring home random strangers who needed a place to stay or kids who just needed some cooling off time before their parents would let them come back home. As a child I thought that all philanthropy came through the Church, but then I was introduced to community non-profits and service clubs. Although my father had been a Kiwanian, I chose to look into Rotary because my boss pointed me in that direction. I remember looking around the room at my very first Rotary meeting and thinking, "these are my people". They came from different professions, different religions, different backgrounds, and yet they honored each other and worked together for the common good of our community.

In 2013 I made the decision to join Visalia County Center Rotary and was Club Rotarian of the Year in 2017. I have attended three Rotary International Conventions and multiple District Conventions and have also hosted three youth exchange students.

In 2017-2018 I was President of Visalia County Center Rotary. That year our Club was honored with the LARGE CLUB OF THE YEAR AWARD by District Governor Art Gaffrey. That year we focused on getting to know our club members, we planted trees and participated in a multi-club cruise to Mexico where we painted an elementary school building.

In 2018-2019 I stepped into the Assistant Governor's role and have had the opportunity to stay in this role for a couple of years. My heart is for the individual clubs and I love being able to be a calm presence for nervous President-Elects and a guide and partner for Presidents who are working hard to keep their clubs vibrant.

For 2022-2023 I have been asked to serve as District Trainer and will be leading the group who will be providing monthly classes for District 5230. I am looking forward to helping to provide the information that members are seeking so that they can step into leadership positions with confidence and enthusiasm.

Outside of Rotary, I am very active in my church and with my family. I have the loving support of my husband, Nick, who most people recognize because he is at a lot of Rotary events with me. I also have two daughters, one son-in-law, and one future son-in-law.

In 2008 I left my full-time job as a Real Estate Broker and went to work at Kaweah Health as an Events Coordinator and eventually moved into my current position as Director of Community Engagement. My professional career allows me to work closely with all service clubs in the community, while maintaining my leadership roles in Rotary. Through Kaweah Health I sponsor service club events, provide healthcare speakers for meetings, and help disseminate information about the state of healthcare to the different community organizations.

Because of the impact Rotary has made on me, it was the inspiration behind a couple of projects that I have helped to create and implement for Kaweah Health. We rolled out Kaweah Helps which is a volunteer program to get our employees involved in community service projects, and the other is a Physician Resident Hosting program which allows community members to host incoming residents in their homes.

My favorite quote for 2022 is by Audrey Hepburn.  
"As you grown older you will discover that you have two hands;  
One for helping yourself, the other for helping others."

While I'm not a big fan of Texas and its politics, I decided to attend the Rotary International Convention in Houston on June 5, 6, 7 and 8 – and I am so glad that I did!

It is quite a thrill to be with 11,000 people from around the world who you share your goal to *Serve to Change Lives*. If you are one of the 40+ people from our District 5230 who went to the Convention, you know what I mean. Something as mundane as standing in line becomes an opportunity to talk with people from around the world about your club, your local projects and the possibility to work together on an international activity. In fact, while waiting to enter the general session, we had a fascinating conversation with members of the Ukrainian delegation and learned about their long journey to Houston, and their work to provide war relief to their country members.

The General Sessions were inspiring, with presentations on Rotary projects focused on empowering girls and women. They also had amazing Indian-focused entertainment, in honor of our RI president Shekhar Metha, from Calcutta, India.

*President-Elect Salinas Steinbeck Rotary, Brenda Rivas with RI President-Elect Jennifer Jones*

My DG classmates and I also had the chance to meet R. Gordon R. McNally, the RI President Nominee from Scotland. Jennifer Jones will be a tough act to follow, but Gordon and his team have a great sense of humor and sense of purpose that will make the 2023/24 year memorable.

The Convention also offers a fabulous opportunity to network with Global Grant partners you may have only met on Zoom. For the first time, I met in-person our water project grant partners from El Salvador, and had the chance to exchange ideas on how to accelerate the grant process. We also renewed our friendship with my District Governor class colleague Livio Zozzoli and his wife Silvia, from Bolivia, who I hope to partner with on a new water supply Global Grant.

*District 5280 Governor Nominee Makiko Nakasone with RI President Nominee Gordon McNally, his wife Heather, and me*

*District Governor Elect Becky Moser with her Zone 26/27 DGE Class and RIPE Jennifer Jones, her husband Nick and PRIP and incoming RI Foundation Chair Ian Risely.*

Every spare moment that we were not in general or breakout sessions seemed to be filled with breakfast, coffee, lunch or dinner rendezvous with Rotary friends from around the world.

We joined together at our District 5230 cocktail reception to socialize, exchange club ideas and thank DG Bruce Mackey for his excellent leadership. Several clubs, including Visalia County Center, Carmel Sunset, Salinas Steinbeck, and Visalia Rotary Clubs had multiple members at the event.

*PDG Yavuz Attila, and Carmel Sunset Rotarians Nurten Atila, President Lynda Patrick, Theresa Wan, Rob Slawinski, Ekin Atila, Club Sergeant at Arms Anna and Pam Thayer with Debbie Hale at the District 5230 reception*

One of my favorite stops at the Convention is the House of Friendship. There you will find Rotary Fellowship groups from musicians, to cyclists, to pilots, to whisky drinkers to fiber artists, and more. My favorite, the Beers Rotarians Enjoy Worldwide (BREW), has microbrewery dinner every year; the profits from the event fund the Water, Sanitation and Hygiene (WASH) Rotary Action Group, which contributes to water-related global grants. The House of Friendship could also be called the House of Shopping where you can buy anything Rotary-related: jewelry or pins, Rotary clothing, etc. I was mesmerized by the brightly-colored cotton Rotary-themed outfits worn by the African women, and was very excited to buy some Rotary fabric to buy and make my own poncho.

*Debbie Hale with her Rotary poncho*

*Sita Tettey, Rotary Club of Accra-Sintex, Ghana Wearing her design inspiration!*

July 2022 • Transitions

For those who are more service-minded, the House of Friendship is also filled with Rotary Action Group representatives. If you are looking for a project for your club to take on, you will find many options among the Rotary Action Groups. Our own Yavuz Atilla, who is now a regionally-elected representative, helped to staff the Environmental Sustainability Rotary Action Group (ESRAG) at the Convention.

The International Convention is also an opportunity to explore the location where the event is held. This year, my local exploration was limited mostly to eating barbecue and checking out local breweries, but about a dozen of us also found time to attend a Houston Astros game. Scott Donaldson (Visalia) had such a great time he went every night they were in town! And, if it's your first International Convention, it's a great idea to register for a Host Organizing Committee event where you'll be whisked away to a local hang-out and spend time with one of the clubs from the area.

*Ray and Liz Wynn with Scott Donaldson

If you want to join in the fun next year, come to the Rotary International Convention in Melbourne, Australia on May 27 – 31, 2023! If you sign up before December 15, 2022, the registration is discounted \$200 (only \$475 per person), and there are special discounts for children, and Rotarians under age 30. I plan to make a vacation of it, and explore other nearby destinations such as Sidney.

I hope to see you in Melbourne!

CONGRATULATIONS to our Clubs in District 5230 who achieved the Rotary Citation for 2021-2022!

The Rotary Citation is an award that recognizes the hard work clubs do throughout the year. Taking action toward achieving the citation goals helps clubs engage their members, stay relevant in their communities, and run for efficiently. A welcoming and engaging club also reflects the values of Rotary. When clubs work to achieve these goals, they also contribute to the overall health and culture of Rotary for generations to come.

Clubs receiving the Rotary Citation for 2021-2022 are:

**CARMEL SUNSET  
CLOVIS  
FRESNO SUNSET  
HANFORD SUNSET  
MONTEREY PACIFIC  
NORTH FRESNO  
PORTERVILLE BREAKFAST  
SALINAS  
SALINAS STEINBECK  
TULARE SUNRISE  
VISALIA COUNTY CENTER  
VISALIA SUNSET**

Let's grow this list in 2022-2023! Rotary club leaders should go into Rotary Club Central and select at least 13 out of 25 goals they wish to apply toward citation achievement. This flexibility allows clubs to choose the goals that are most relevant and achievable for them. To be eligible, clubs need to begin the year as active clubs in good standing.

District 5230 will be using your clubs entries into Rotary Club Central of both your goals and service activities to determine District Awards during the 2022-2023 year, so get them in there and keep them up to date throughout the year! All entries must be submitted by June 30, 2023 for the Rotary Citation.

IMAGINE what we can accomplish together this Rotary year if we all achieved the Rotary Citation! Let's do it!!

Members of the Rotary Fresno Sunrise Club were pleased to present a check for \$5,000.00 to Megan Starr and Cortney Chatoian, marketing specialists for the Ronald McDonald House at Valley Children's Hospital. These funds were generated by our annual fundraiser, the Chocolliscious Run, chaired by Sunrise club member Alan Uyemura.

The Ronald McDonald House at Valley Children's provides a home away from home for families who travel far from home to be with their infants who are being cared for in the neonatal intensive care unit (NICU). It was our sincere pleasure to support the many services and supports offered at the Ronald McDonald House.

## The Rotary Club of Visalia demotes president Liz Wynn...

CENTENNIAL  
Visalia Rotary Club

The Rotary Club of Visalia demoted President Liz Wynn with a fun night held at the Visalia Rawhide's Hall of Fame Club. Liz's love for golf created the theme, and the Demotion Committee put on a skit poking fun at how that passion *might* interfere with her position as a Visalia City Council member. With a special appearance by The Church Lady, as well as another city council member, Greg Collins, the skit had the audience laughing out loud.

In all seriousness, Liz had a tough job this year getting club members to come back after two years of COVID. But with excellent speakers, the club's Centennial Celebration, and many volunteer opportunities, our club is again becoming a vibrant, active group. Thank you Liz – now maybe you'll have more time to hit the links!
