Project 150 is a service project with which we have participated, off and on, for quite a while. This year, we are going to help collect supplies at the first meeting in July. We will assist with preparing the actual backpacks on July 19 (time TBD). Please review the flyer and bring supplies to this week's meeting.

DEBUNKING - June 30

On a very warm summer night, we gathered in the beautiful backyard of PP Mike and Heather Peterson. Delicious BBQ and yummy desserts were enjoyed by all as President Patrick Jones and his BOD was debunked and PE Kay Doxily and her BOD was installed.

President Patrick was named Rotarian of the Year. Melinda Westfahl was awarded the Spark Plug Award and PP Mike Peterson was recognized with the Service Above Self Award. Congratulations All. Well deserved.

Thank you to all who have served and those about to start their service.
