**CREATE HOPE
in the WORLD**

Project 150
"Back to
School Supply
Drive" yielded
food, clothing
and badly
needed school

supplies. The Rotary Club of Green Valley volunteers worked diligently to assure returning, at risk high school students in the Las Vegas Valley will receive over three hundred well curated backpacks filled with school supplies. Our labor is not cheap. Our efforts were valued at almost \$2,000. Job well done!
