CALENDARED EVENTS AND REMINDERS

District Governor Michael Soden's New Year Message

With great sincerity, I extend my heartfelt gratitude to every single one of my esteemed colleagues throughout District 5300 for the spectacular initial six months of the Rotary year 2023-2024. I am immensely grateful for the warm reception I received during the District Governor's visiting tour from every club member, in solo and group meetings; each encounter was profoundly significant. I began each visit by expressing, "If I could not be with you today, then it would not be as worthwhile being the District Governor this year." Hearing about your devotion to creating an impact in our communities within our district through your work each day was extremely inspiring and gave me immense optimism.

Throughout the year, we have successfully accomplished several initiatives that have brought pride and joy to our community. First, we organized Rotary Essentials, which was well-received and appreciated by our members. It included a comprehensive four-part series involving Public Image, Membership, Foundation, and DEI (Diversity, Equity and Inclusion). Moreover, we had the honor of hosting two sessions of the Rotary Leadership Institute in Southern California and Las Vegas, respectively. Our RIP Gordon McNally inspired us to take up the cause of creating mental health awareness in our districts, and in response, we have formed a committee that will work with clubs to educate them on this important subject. We are also thrilled to announce that a website with information regarding where to find help will soon be launched.

Our Teen Leadership Camp (TLC) was a highlight of the year, and we are proud to

Mark
Mariscal
District
Rotary
Foundation
Chair

say that it was thoroughly revamped and exceptionally managed, facilitated by Sara Wells. The students received terrific training, leaving us delighted and satisfied. Despite facing unforeseeable circumstances, where our contracted bus services provider failed to fulfill its obligations, the TLC committee rose to the occasion. Through sheer dedication and effort, they put their heads together and came up with a plan to ensure that all the students were either home or on their way home by 5:30 pm. The committee, students, and parents put in a team effort that ensured an unforgettable experience for all. It was heartening to witness the camaraderie and dedication of the Rotarians, which left a lasting impression.

Last, we are thrilled to share that our Rotary Float, **Clean Water - The Music of Life**, won yet another award, for outstanding floral presentation, a testament to the hard work of our outstanding Rotary Rose Float committee, many of whose members belong to D5300. We are extremely grateful for their dedication and hard work, which never fails to inspire us.

What's next, you may wonder? There are many exciting opportunities coming up that we don't want you to miss out on. On January 20th, the current Presidents and President Elects will gather for some training and R&R at the President's Advance. On January 27th, we will be holding our Peace Conference at the Nixon Library, followed by SW PETS from February 1 to February 3, where our Presidents Elect will be trained. They will hear about DGE Mike Driebe's plans for the Rotary year 2024-25. Our first RYLA in 4 years is coming up from March 22 - 24, and it promises to be an exciting event. May 20th will be a busy day; it will include the District Training Assembly (DTA), an important training for all club leadership, followed by the District 4-way Test Speech contest finals held during lunch. In the evening, we'll be having the Foundation dinner to honor all those who have donated to the foundation and the clubs for their efforts. The district's Dan Stover Music Contest will be the entertainment for the evening. Last but not least, we have District Conference ~24 - A Cruise to Service, which will take place from June 21-24.

As you can see, there are still many exciting opportunities for participation, and we encourage you to join us. Together, we can create hope and make a positive impact on the world. More information and registration links can be found on the district website at <https://district5300.org>.

DGN GILDA MOSHIR'S MEMBERSHIP CORNER

Did you know that your District has a Membership Committee? This year, our District decided to have the District Governor Nominee be the Lead of the District Membership Committee. You might ask why? Well, we see the need to grow our District as more essential than ever before. Connecting the Governor Nominee to this role will solidify our commitment to clubs that membership is a FOCUS and not just a goal. Our District has been losing members over the past 5 years and not all of that loss can be attributed to COVID. Even though we hate to share bad news, we do have to know where we stand so we can start to focus on that area to grow it. This trend of loss is being

experienced by all service clubs, not just Rotary. We have some tools in place to help clubs with goal setting related to membership and we have access to resources from Zone 26 and Rotary International on how to think "outside the box" with forming new clubs.

We will share topics related to Membership in this quarterly newsletter. Feel free to reach out to DGN Gilda Moshir at (818) 807-6060 or gildarotary5300@gmail.com with any questions related to growing, engaging and retaining members. Our committee members are: DGN Gilda Moshir, PDG John Chase, PDG Tom Novotny, President of the Red Rock Rotary Club Rebecca Fritz, South Pasadena Rotary Club Membership Chair Betty Bui, Vice Chair of the DEI Committee Gino Reyes, Assistant Governor for Area 1 MaryLou Byrne, South Pasadena Rotary Club Member Sara Munchin, and Las Vegas Rotary Club Member, Nancy Anderson.

If you or someone in your club wants assistance to gain access to these resources, email gildarotary5300@gmail.com.

REGISTER FOR THE PEACE CONFERENCE

Submitted by Kari Anderson

You're cordially invited to participate in the Peace Conference at the Nixon Library on Saturday January 27th. This event promises to be an engaging and insightful gathering, featuring distinguished speakers, including the Founding Member of the Rotary DEI Task Force Brian Rusch, and other esteemed special guests discussing mental health.

The conference will delve into pressing issues and innovative approaches surrounding diversity, equity, and inclusion (DEI) and mental health in our communities and workplaces. This is an exceptional opportunity to gain valuable insights and engage in meaningful discussions on these crucial topics.

Your participation will greatly enrich our conversations and contribute to the impact of this event. We look forward to your presence and your valuable contribution to the discussions.

Date: January 27th, 8:00 - 1:00 pm

Location: Nixon Library \$40 pp (no fee for Students/Interactors/Rotaractors)

[Peace Conference Registration Link](#)

Please RSVP using the above link ASAP to ensure we reserve your spot. Feel free to reach out if you have any questions or need further information.

We anticipate an enlightening and productive conference and hope to see you there!

THANK YOU FROM THE ROTARY FOUNDATION

By Mark Mariscal, DRFCC

Our District has 24 clubs that are considered Paul Harris Fellow Clubs. That means that on a specific date (within the last 15 years), all of the Active Club Members achieved Paul Harris Fellow level in giving to the Rotary Foundation and received a special Rotary lapel pin. If you are a club officer and are not aware if your club is one of the 24, please reach out to your Assistant Governor or contact me and I will give you an update.

Since July, 41 clubs (just over 70%) have contributed to the Annual Fund of the Rotary Foundation. Many clubs have already exceeded their established goals. Keep up the good work. As you are aware, giving to the Annual Fund or Polio Plus is very easy: give through 1) Rotary Direct or 2) go to <http://www.rotary.org> and locate the DONATE button, or (3) you can give with your dues through your club.

Some other district statistics so far in DG Michael Soden's year include:

- 121 Paul Harris Fellow pins awarded
- 9 new Major Donors at different levels
- 3 Major Gifts (a one-time contribution of at least \$10,000)
- 68 Paul Harris Society Members (pledge \$1,000 annually to Foundation)
- 115 members participating in the Rotary Direct program

If any club member has questions about the Rotary Foundation, please ask a club officer or reach out to me at markmariscal@yahoo.com.

INVITATIONS TO PARTICIPATE

Special Mardi Gras Ticket Pricing for Rotarians-- Summerlin Rotary

By Glenn Ritt

Summerlin Rotary's Mardi Gras is on Saturday, Feb. 17, 2024 at the Las Vegas Marriott Hotel and Spa on Rampart. This year we're having a full New Orleans music show on stage performed by the Dixie Flats, along with a Cajun-inspired dinner, dancing, a pre-gala reception with showgirls and live, online and global vacation auctions.

Consider organizing a club table of 10 and receiving sponsorship benefits, including complimentary wines at your table and an ad in our Mardi Gras program. This comes with the same discount and installment payment plan. It's all to raise funds for The Just One Project and help meet the needs of food insecure neighbors, as well as our own club's good works. Visit mardigras.vegas to learn more. Let's party and make a difference. It's what makes Rotary so rewarding.

Rotarians can purchase Mardi Gras tickets for \$175, instead of the public price of \$250. When checking out, use the coupon code **rotary2024**

The flyer features a vibrant purple and gold color scheme. At the top, it says 'SUMMERLIN ROTARY' in white. Below this is a large, stylized 'Mardi Gras Gala' in gold script, accompanied by images of Mardi Gras masks and feathers. The Rotary logo is in the bottom right of this section. The main body of the flyer is blue and contains the following text: 'Join the Summerlin Rotary Club's MARDI GRAS GALA', 'HONORING Brooke Neubauer, CEO & Founder The Just One Project, for her dedication to feeding our neediest neighbors.', 'SATURDAY, FEBRUARY 17', 'JW Marriott, 221 N Rampart Blvd, Las Vegas, NV 89145', 'Festivities begin at 6pm', and a list of activities: 'Down home New Orleans Music Show', 'Cajun Cuisine', 'Dancing to our Louisiana Beat', 'Live and Silent Auctions', 'Photos with our Showgirls', and 'Meet the Band'. To the right of this text is a 'TICKETS' button with a mask icon and a QR code. Below the QR code is a small text box that says 'Please click above or scan QR code below for tickets or a table'. At the bottom, a red banner reads 'PROCEEDS ADDRESS FOOD INSECURITY IN OUR COMMUNITY'.

Duarte Rotary in Action

By John Fasana

Rotarians are “People of Action.” We certainly have been in action both in putting on Rotary events and supporting City events for the betterment of our Duarte community and we have great plans into the future. First, we report on upcoming events, followed by a recap of the fall quarter.

1. The Interact Clubs of Duarte High School and CS Arts are organizing a blood drive for City of Hope, home to world-renowned pioneers in cancer research, treatment and prevention, bringing breakthroughs from the laboratory to patients, with lifesaving speed. The drive will be held on Thursday, January 25, 2024 9 AM to 3PM at the Duarte High School Gym, 1565 E. Central Avenue, Duarte, CA 91010. They welcome donations from District 5300 Rotarians. [Sign-up by clicking here.](#)

2. The Duarte Rotary and the Duarte Kiwanis Clubs are teaming together to help schools in El Salvador. They will travel together in February with some students from Duarte High School to take school supplies, medical products and educational materials to schools and organizations they have previously helped. The club members will pay for their travel and lodging, so all funds go to serve these communities. All funds donated will go directly toward computers, printers, books, writing instruments, medical supplies, food items, clothing, etc.

3. Duarte Rotary initiated the litigation that brought women into service clubs via the U.S. Supreme Court Decision of May 4, 1987. This decision positively changed Rotary forever. In March 2024, we will host an event so more community members and service club members can learn about the nearly decade-long effort that started in our city. See the Duarte Rotary Club Facebook page for updates.

And that follows upon several great fall events. Read on!

FALL/WINTER CLUB STORIES

Holiday Highlights--Alhambra

By Greg Cheng

2023 Adopt-A-Family Event: Annual event where Alhambra Rotarians as well as their families & volunteers shop tirelessly at Target to fulfill the Christmas wish lists of 150+ eligible children in the community. This is made possible through generous donations from our corporate sponsors.

2023 Spark of Love Toy Giveaway: Rotarians presented the Alhambra Fire Department with the Club’s annual Spark of Love donation. Below, Fire Dept and volunteers pose for a photo during the event. Foundation Treasurer Mark Paulson and

Volunteers pose for a photo during the event. Foundation Treasurer Mark Paulson and President Greg Cheng lend a hand at the annual Spark of Love toy giveaway and a happy family showcases their daughter's very first bicycle.

Altadena Rotary Provides Toys and Santas

By Maricela Viramontes, President-Elect

This past December, our Rotary Club worked with Grocery Outlet-Altadena, Farnsworth Park and the LA County Sheriff's Department to collect more than 300 new toys that were given away on December 16th. This was our 5th year working with the LA County Parks Department to help produce the event. Over 15 Rotary members and volunteers participated before, during and after the event, including planning and execution of the event. More than 150 families attended. Our club contributed excess donated toys to a few other local organizations.

Our club is fortunate to have two amateur Santas. On the same day, an additional club member served the role of the jolly white bearded red-suited individual at another local community event.

Claremont Rotary's Bikes for Kids and TWP

By PP Buff Wright

The 22nd Bill's Bikes for Kids giveaway of 31 bicycles was Saturday, December 16. Our guests and recipient families started arriving around 8 am, and enjoyed a continental breakfast. The program was all brought together by the unmatched corny humor of our emcee, PP Ron Coleman, back by popular demand! VIPs attending were CUSD Superintendent Jim Elsasser, Mayor Sal Medina who addressed the group in English and Spanish, City Council member Ed Reece, and CPD officer Tristan Vargas who talked to all about bike safety. Teachers from the schools were introduced. PP Jim Marchant, standing in for Nona Tirre, thanked the participants and noted that Bikes for Kids Founder Bill Gruber's wife Lois died last summer. She and her son Scott had attended the event in years past.

Interact students from Claremont High School and El Roble Intermediate School helped get guests settled, ferried bikes to kids, and Claremont Senior Bike Group members did helmet and bike-seat adjustments after the program. We couldn't do this event as well without them. We were finished by 9:30, but the kids will be riding the bikes for a long time. The Claremont Courier ran an article about the event on [December 17 \(read it here\)](#).

Our next event for kids is February 21-23, Together We Prepare, a 3 day program that teaches all 8th graders at El Roble Intermediate School about CPR and Emergency Preparedness. It's an all hands on deck event and substitutes for the weekly meeting.

Holiday Cheer from LV After Hours

Linda Bertuzzi, LV After Hours

Happy New Year from the *Las Vegas After Hours Rotary Club*! We dedicated the entire month of December to Service, Social & Fun, forgoing weekly meetings so we could donate our time to six projects.

One newest member volunteered 60+ hours for Teen Leadership Camp to help grow the leadership skills of eighth graders. We sponsored five kids for the So. Nevada Rotary Santa Clothes program, shopping with children for brand-new clothes - so heartwarming! Packing meals for 2700 of our local homeless and displaced high school students to carry them through the long winter school break is always a Club favorite organized by Project 150. A new program we started a few years ago was a winter feast for 475 elementary school kids and 75 staff, all lovingly served by our members and prepared by our own amazing chef. Bell ringing for the Salvation Army is a consistent Club favorite. Organized by Summerlin Rotary, we work in shifts singing and dancing in our Holiday finery to entice donations, and even have our own Santa & Mrs. Claus on hand for a little more fun! Finally, we ended our service with our bi-monthly Agassi B&G Club Birthday Hour - a great time celebrating the December & January birthdays with pizza and games. Kids are always stopping us and asking if we will be back for their birthdays later in the year - and, of course, we answer with a resounding "Yes!"

Las Vegas Southwest 2nd Quarter Highlights

By Keith Thomas

Our tradition of service has been on full display during the past three months. In October we provided free [shoes and socks](#) for the entire first grade at a local elementary school. Then in December we provided free [winter coats](#) to the same elementary. In November we enjoyed our “[Feed the Homeless](#)” service project at a local church providing a meal, clothing, blankets, hats, gloves, and hygiene kits to the homeless. The tradition started over 20 years ago and occurs every month where there is a fifth Wednesday. In November, we joined with the LV Red Rock Club to prepare meal packages for a local youth homeless shelter.

We enjoyed activities like a tour of the Federal Courthouse provided by the U. S. Marshal who had been one of our recent speakers. We had an engaging [holiday party](#), which annually features a quilt raffle that raises thousands of dollars for our youth projects. The quilt is made by one of our club members who is a master quilter.

Watch for our update next quarter when we will be reporting on our international project in Puerto Vallarta. Each year in February, working with the local club and other clubs, we go to a small village near PV and assemble and distribute water filters. Check out our website (www.lvswr.org) or our Facebook page.

Monrovia Santa Clothes

Submitted by Karen Lujan, Monrovia Rotary

Through a collaborative partnership with the Rotary Club of Monrovia and the Foothill Unity Center, 74 children of local low income families were assisted with brand-new clothing and shoes at this year's Santa Clothes event at Kohl's Monrovia on Sunday, December 10, 2023. Many of these children also had special needs and were carefully assisted by the volunteers. Each child was matched with a Monrovia Interact/high school student to accompany them through their shopping experience. This event allowed the children to have fun while selecting greatly needed items of their own choice. In addition to the clothing and shoes the participants also were able to select a toy.

Numerous compliments were received by the parents about the great experience their children had and expressed their gratitude for our gifts in these challenging economic times.

A story of dedication and gratitude

Submitted by Karen Lujan, Monrovia Rotary in Memory of Dr. Baick Dr. Choong Hyun Baick was born in Osaka, Japan on August 21, 1936, the son of a Korean doctor and his wife who were living in the Korean community in Japan. He survived World War II and the Korean War, then came to Los Angeles as a college student in 1956, determined to get the best medical education in the world.

During his first year in America, Dr. Baick gave a speech to the Monrovia Rotary Club about why he came to the United States and what his ambitions were. The Rotarians were so impressed by Dr. Baick's speech that they decided to sponsor his education with a full scholarship to college and medical school. Most of the financial support came from one specific Rotary club member, Dr. Delos Comstock. All of Dr. Baick's educational expenses were covered by the scholarship, and to earn personal spending money he worked as a fruit picker in the San Joaquin Valley, and a bus boy at a Beverly Hills restaurant. **Dr. Baick later gave over \$100,000 to establish a scholarship in honor of Dr. Comstock, administered by the Monrovia Rotary Club.** Dr. Baick also created scholarships for the Santa Ana and Tustin Rotary Clubs (now merged).

Pasadena Rotary Walk to End Polio

By Wendy Anderson

At the Second Annual Pasadena Rotary World Polio Day Walk/Run to End Polio on October 24, eleven people showed up bright and early to circumambulate the Rose Bowl: Wende Lee, her husband Robert Lee, President Justene Adamec, Dean Billman, Past President Mary Lou Byrne, George Falardeau, Sandy Goodenough, Catherine Haskett Hany, Lynne Sullivan and her (new) husband Dennis McNamara, and Dede Venkat (who RAN around the Rose Bowl, then backtracked to walk the last quarter lap along with the walkers!). We raised a total of \$1,360 for the Polio Plus fund, so it was a huge success! Wende reported that Wendy Anderson's stepdaughter, Glorya, is a polio survivor, and Wendy donated in her honor. And Lynne Sullivan's father and father-in-law are also both polio survivors, so she and her husband walked and donated in their honor! And of course we know that Dean Billman's late father was a polio survivor, and the reason Dean is a Rotarian!

GSGV Rotary Brings Santa to WCUSD

Excerpted from the San Gabriel Valley Examiner Dec 28-Jan 3

December 13, 2023 marked the 8th annual Christmas celebration for kids in WCUSD, hosted by the Rotary Club of Greater San Gabriel Valley (GSGV Rotary Club) and West Covina Unified School District (WCUSD) as part of GSGV Rotary's parachute program. This year 100 kids and their Foster family siblings received presents from Santa and Mrs. Claus, pillows from Kohls, gift cards from the West Covina Emblem Club and Irwindale Lions Club, stocking stuffers from GSGV Rotary, dessert from GFWC SoCal Volunteers, and hot cocoa, drinks, and pizza from WCUSD. Additional partners this year included West Covina Police Department and True Polygraph LLC. All the partners (we of course mean elves) came, mingled, played games with the youth, and helped create an environment filled with laughter, love and care. GSGV Rotary Club President, Bryan Arredondo, says "In total, our youth parachute program has helped over 1,000 kids since 2019. The program supports youth year-round through the donations we receive, partnerships like the ones you see here today, and through our fundraising - 100% of our fundraising goes to youth." While they are unable to take pictures of Foster Youth, their smiles tell the story of Rotary's and their partners' impact in the community. One child was heard saying "We aren't forgotten after all." She also asked why we don't have food for the reindeer - hmmm, something to put on the list for next year.

San Marino Plants and Princesses

By Isaac Hung, San Marino

San Marino Rotary helps to create hope in the world through our project called "Plants and Princesses". The Queen and the Rose Court made their annual appearance at the Huntington Garden late in November. Thanks to a collaboration of the San Marino Rotary and East Los Angeles Rotary, along with the Huntington Botanical staff, more than forty 3rd graders were brought in for a morning of learning about plants and flowers both outdoor and indoor. While the children were learning the

botanical wonders at the Huntington Garden, they were also joined by Rose Court Princesses who interacted with children in the lab as well as in building a small Rose Parade float with pinewood derby cars. The morning activities culminated in the Rose Court being escorted by the San Marino Police to our club for lunch and an informal Q and A between members and this very articulate group of high school young women.

South Pasadena Project Highlights

By Betty Bui, South Pasadena

The Rotary Club of South Pasadena has been busy in the last months of 2023! We partnered with the *South Pasadena High School Interact Club*, the *Monterey Hills Elementary School 3rd graders*, and the *Los Angeles First United Methodist Church* to throw a Holiday Gifting Party, *Spread The Warmth*, for our homeless community in DTLA. What a fun, sunny, and blessed Sunday!

We also volunteered with the South Pasadena Tournament of Roses Float Build!

Coming up for our club, we will have a Pickle Ball tournament on Sunday, February 4th from 3:00 to 6:00 pm in partnership with the SPSH Interact Club, and we are sponsoring a ChairBoard, an adaptive surfboard that allows mobility-challenged people to experience surfing. We will host a fun event in May 2024. More to come! To register for our pickleball tournament, which funds will serve to fund the chair board, send a DM on Instagram at @southpasadenarotary or email rotaryclubofsouthpasadena@gmail.com

Sunshine Kits for Homeless Youth-LV Red Rock

By Rebecca Fritz

November 18th was our fourth year making Sunshine Kits for Nevada Partnership for Homeless Youth. These kits will be available for the youth, who are experiencing unstable housing and homelessness, when they stop by the NPHY's Feel Good Friday Events. The kits contain a cup of soup, a fruit snack, Slim Jim, chips, Capri Sun, granola bar, oatmeal, candy, and a note of encouragement. We are honored to announce that with the help of 90 volunteers, we completed 1,500 Sunshine Kits!

Hands Across The Border--West Covina

Jose Gutierrez, RC of West Covina HAtB chair

The Hands Across the Border group delivered 38 Computers and a laser printer to the General Secondary School No. 215 "Forjadores de Rosarito", the first school we've equipped in Rosarito, Mexico. What a great trip! RCWC was represented by Jose Gutierrez, Dennis & Valerie Evans.

Photos clockwise from the top: School front, Door to computer room, Dedication Plaque, Presentation of plaque to Dennis and Jose, Sunset at Gaviota, Agua Caliente President Frank Hinckfuss--proof he received RCWC donation.

Las Vegas Rotary Annual Donations Surpass \$40,000

Excerpted from the Nevada Business Magazine (10/23)

The Las Vegas Rotary Club continues its tradition of community giving with over \$40,000 in charitable donations this year with more planned during the holidays. Committed to serving the local community and making a positive impact, the club gives regularly to local organizations supporting children and education. Throughout the year, the Las Vegas Rotary Club has actively supported a wide range of causes and organizations, reinforcing its commitment to the motto "Service Above Self." Its donations this year reflect the club's dedication to creating lasting change and fostering a better future for all.

The Club's annual canned food drive in December matched donations up to \$5,000 and was a joint combination with local Kiwanis Clubs. The Club's Santa Clothes program, where Rotarians and volunteer shoppers shop with at-risk children in need of clothing and shoes, is in its 28th year and has helped over 6,500 children throughout Southern Nevada since its inception.
