Guest Speaker - Jason Blanchard, President & CEO of Complete Network, Inc.

Jason Blanchard - Complete Network Management, Inc. - CEO/CTO
It's been my pleasure to serve the Houma/Thibodaux Region with computer services since 1990. I've primarily worked as a network technician and, in 1997, I started CNM. One of the primary vertical markets has been the banking industry. This has given us decades of exposure to high security network practices. In 2020, I was elected to the board of directors for South Louisiana Bank. Most recently, I was selected to a national team of ransomware recovery experts to assist in the recovery and containment of cyberattacks around the country.

ROD - Tasha Pinkard

Rotarian of the Day: Tasha Pinkard

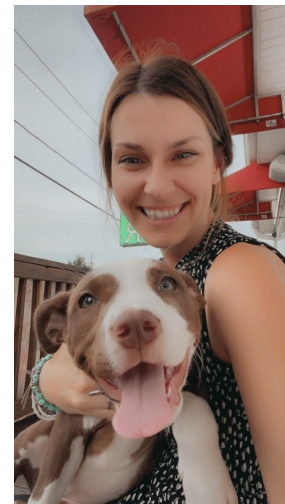

The year you joined Rotary: 2023

Name of the Rotarian who proposed you: Billy Foster

Employer and your position: Terminix, Administrative Manager

Hobbies: I love to crochet, canning, gardening, painting and singing. Think of all the things your grandparents did and I probably love it.

Brief statement explaining why you accepted the invitation to become a Rotarian: My life has been a journey to overcome poverty. I excelled academically, but numerous opportunities were nonexistent for me. Work began at the ripe old age of ten. In every profession, I ascended to rank through sheer gumption, but it wasn't an opportunity. I came to Terminix hopeful of being seen for dexterity instead of origin. Billy and Dan Foster didn't blink, they took me in, like the stray cat showing up on the porch. They offered an opportunity; precisely as I am. People of this caliber are rare gems we should endeavor to emulate. They are Rotarians. Rotarians are giving, kind, and creating change. I strive for the best version of me. I wanted to change, characteristics embodied by The Fosters and Rotarians. Upon the invitation, how could I decline? You become what surrounds you!
