Join us for a Club Meeting, no guest speaker, this Thursday morning. We will catch up with each other and discuss this spring's upcoming events. We will also discuss Club Leadership position elections, which will be held on January 25th.

Our next meeting with a guest speaker will be January 11, where Brittany Sinzinger will speak on the American Lung Association in Ohio. Brittany Sinzinger is the Executive Director for the American Lung Association of South-Central Ohio. She works to achieve the mission of The American Lung Association: to see a world free from lung disease. She began her journey at The ALA after her son had a near fatal asthma attack, nearly 13 years ago, and now strives to ensure no other parent has endure that experience. Her biggest accomplishment to date has been raising over \$4 million, in fundraising events, since she joined the ALA 11 years ago. Brittany lives in Delaware, OH with her husband of 21 years, her 3 teenage children, and loves running half-marathons, spending time with her family, and volunteering at other organizations.

Our Newest Three Members

Rick Berges, Brian Doone, and Gordon Sherk were inducted as our newest club members at our last meeting in December. That brings us to a club membership number of 38. Let's see if we can't reach 40 by the end of the Club year in June!!
