Join us Thursday, 29 February, and be part of History!

Our featured speaker will be our own John Jordan, who will continue our series of Member Spotlights.

Also, for only the second time in the history of the Olentangy Rotary Club there is a 5th Thursday in the month of February. Don't miss being part of this historical event!

Common Ground Service Project

We will be volunteering at Common Ground Free Store Thursday night, 29 February. If you signed up to supply food and/or to work the event then I'll see you there. If you haven't and would still like to participate, reach out to Jennifer Carney-Triplett ASAP.

Olentangy Schools Superintendent

Todd Meyer, Olentangy Schools Superintendent and honorary Olentangy Rotary Club member, will be our guest speaker on March 14th. Among other things, he will speak on the proposed tax levy on the March 19th ballot. **This is also a great meeting to bring a guest, so let's make it a large turnout!**

David Uhl, District Governor

Happy New Year! District 6690 had a fantastic 2023. We spent the first half of the Rotary year focused on Creating Hope in the World. And we aren't done yet! There are still 6 months left in this year to make an impact and a difference in our communities and around the world.

During the first 6 months of the year, I traveled across the District, completing 44/58 club visits. It has been a fantastic experience meeting so many great Rotarians who are putting **Service above Self** every day! Keep up the great work and momentum as we move through the last half of the Rotary year. As I have said many times, the days may be long, but the Rotary year is short!

Please read through the newsletter below. There are several short but important articles that will provide you with information and opportunities as we continue to Create Hope in the World.

See you at District Conference on April 19-20! Mark your calendar. Registration opens soon!!!

Serving Together,
David
