### Thursday's Speaker, Susan Hanson of HelpLine

Sue Hanson has been the Executive Director of HelpLine of Delaware & Morrow Counties since 1997. Her professional experience has been diverse including settlement house work with disadvantaged communities, as well as direct service and management in the area of residential treatment for adolescents.

Ms. Hanson has expertise in areas of crisis management, sexual assault, quality assurance, information & referral, suicide prevention, depression, awareness, mental health education, and volunteer management. She enjoys rock climbing, golf, and skiing. Sue's spouse is retired and they are ruled by a lab mix rescue named Quinn.

### Tarps for Pollinator Garden

I received a donation of three blue tarps after last week's meeting to support the pollinator garden project. The students will use these to kill the grass in the area that will be planted. That brings me to five total. If you have a tarp you would like to let the school borrow OR if you have some stakes for staking tarps down, please bring them this Thursday!

### Olentangy Schools Superintendent

Todd Meyer, Olentangy Schools Superintendent and honorary Olentangy Rotary Club member, will be our guest speaker on March 14th. Among other things, he will speak on the proposed tax levy on the March 19th ballot. **This is also a great meeting to bring a guest, so let's make it a large turnout!**

### Congratulations

Congratulations to our newly elected Board Members, Jason Barlow and Brian Folwarczny, and our new President Elect John O'Connell. Thanks so much for stepping into these important leadership positions. Without continued member-led service like yours, the Club could not continue to thrive!

This link has some good information on school funding and TIFF:
