This does not change, so it is good every week.

Song of the Week - Hey Jude by The Beatles

Hey Jude

Song by John Lennon and Paul McCartney

Lyrics

Hey jude, don't make it bad.
Take a sad song and make it better.
Remember to let her into your heart,
Then you can start to make it better.

Hey jude, don't be afraid.
You were made to go out and get her.
The minute you let her under your skin,
Then you begin to make it better.

And anytime you feel the pain, hey jude, refrain,
Don't carry the world upon your shoulders.
For well you know that it's a fool who plays it cool
By making his world a little colder.

Na na na na na, na na na...

USF Rotaract invites all members to meeting and Speaker Event

Speaker: Lauren Strange, Peace Corps

5:30 pm Tuesday, March 26

Location: MSC 3707 (Marshall Student Center)

One of the largest events of the semester! Rotary International partners with many of the Peace Corps projects abroad. To honor that partnership Rotaract USF will host the USF Peace Corps chapter director Lauren Strange. Even if you're not interested in serving with the Peace Corps, the prep certification looks great on your resume and is valid for life. Additionally, there will be other service learning abroad coordinators there to talk about how to service abroad. If you are unable to attend, or know people that might have an interest, share the link below. Registration requested.

Thanks to Rotary member Ram Kancharla and DG Steve Overton, the District 6890 members that responded to the invite were treated to a lovely afternoon on Tampa Bay. February 20th was a windy but sunny day as Rotary members from all over the District hopped aboard a water taxi and were educated and entertained by Ram Kancharla, who happens to be the VP of Planning and Development of the Tampa Port and an active member of the Rotary Club of New Tampa.

March Message from DG Steve

By Steve Overton

Sometimes it is the little things, the simplest of things, that can make a big difference. This can be true in a relationship. When you present a gift to your significant other, the thought, planning and preparation that went into that gift can often outweigh what it might've cost. Pretty simple.

A past president of one of our clubs reminded me this week of what caused him to feel comfortable the first time he walked into our club meeting. He was greeted in a warm and engaging manner. He was given guidance as to what to expect during the meeting, was introduced to a number of people and led to a table where he was likely to make new friends. That is why this man says he stayed in Rotary!

At one of Chevron's District 6890 Florida PETS breakout session last weekend, Past RI Director John Smarge made the same point, saying there was no chance of anyone walking into his club without being greeted and introduced to people, and therefore immediately feeling appreciated and at home.

One of the speakers in a main session at Florida PETS declared that the reasons people stay in Rotary are the friends they meet and the good work the club and Rotary International does.

So it's our service. And the people we've come to know and really enjoy being with. This really is so very simple.

DG Steve
