April 23 Meeting

Welcoming the Rotary Exchange team from Serbia and an Update on our Global Grant Projects there.

Rotarian Vladimir Matic was a founding member of the Rotary in Belgrade in 2007. He with his wife and Rotarian Natasa Losovic and her daughter are visiting all the clubs in our district that have sponsored projects in Serbia. Some grants went to basic education and literacy including providing M-Bot robots to

100 elementary schools and providing mobile furniture and communications equipment to 15 kindergartens. Others went to providing manufacturing equipment for women entrepreneurs.

In addition to aiding the direct recipients, the grants also help improve the public image of Rotary, attract more members, and help form new clubs.

The visiting Serbians also attended a low-country boil at Janice's house.
